Re: Minor Coastal Zone Permit # CZJ-12-14W

#### TESTIMONY

The Great Cruz Bay Homeowner's Association on St. John is requesting the renewal of the CZM Permit # CZJ-12-14W.

The dock, located in Great Cruz Bay, is a floating removable dock with little impact to the shoreline. The dock requires no pilings, no impact to the bottom of the bay, and provides a safe haven for small fish as well.

The dock provides safe access to the water, and is shared by all property owners in one location. The dock is only for dinghy's 18' and under, for the purpose of dropping off and picking up people to access their boats. No dinghy is permitted to tie up overnight to the dock. The Homeowners Association also provides weekly management of the dock.
