Dear Honorable Millin Young,

On behalf of AT&T of the Virgin Islands, we thank you for the opportunity to provide comments regarding AT&T's relationship with viNGN and the status of USVI's goal to have a business friendly broadband service. AT&T does not have a business relationship with viNGN at this time. However, if the appropriate need arises in the future, AT&T would be open to discussions with viNGN.

AT&T thanks you for the opportunity to provide these written comments.

Yours very truly,
