Honorable Janette Millin Young
Chairperson, Economic Development, Agriculture and Planning
31st Legislature of the Virgin Islands
P.O. Box 1690
St. Thomas, USVI 00804

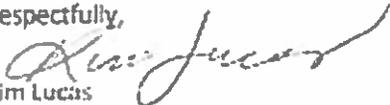

Dear Senator Millin Young:

Thank you for inviting the St. Croix Board of REALTORS to give testimony on the revised zoning and subdivision codes submitted by the Department of Planning and Natural Resources. Our 2014 President and our Association Executive participated in the DPNR Town Hall Meeting in May 2014 and provided input as private residents. Our membership is very active and would like the opportunity to review the Code and respond accordingly. Before the Board can take a position the membership has to be polled, this will take a few days more than provided in which to respond.

As such, it is with regret that the Board is unable to provide testimony by Monday, February 23, 2015. However, if you are willing to accept testimony after that date, perhaps even having a hearing on St. Croix in the near future, the St. Croix Board of REALTORS would gladly participate and present testimony.

Thank you for your consideration. Please keep us on your distribution list. If we can be of assistance with your initiatives, please do not hesitate to contact us.

Respectfully,

Kim Lucas
2015 President
