Dear Senator Millin-Young:

With our apologies, the St. Croix Chamber of Commerce will be unable to attend tomorrow's hearing. The St. Croix Chamber of Commerce is holding its annual meeting tomorrow, March 5, 2015, which we regret makes it impossible for one of us to attend tomorrow's hearing.

The St. Croix Chamber of Commerce thanks you for your service to the Territory and hopes that we will have another opportunity to appear before your Committee and the 31st Legislature on matters of importance to the St. Croix business community.

Respectfully submitted,

Mark W. Eckard, Esquire *for*
