Dear Chairman Sanes,

Unfortunately, I will be out of the territory attending the CARICOM Reparations Summit in New York representing the Virgin Islands. Therefore, I will not be able to attend the Committee on Energy & Environmental Protection hearing scheduled for Wednesday, April 8, 2015 on the island of St. Croix.

However, I would like all correspondence pertaining to this meeting be forwarded to my office. Once again, please excuse my absence and thank you for your understanding.

Sincerely,
