Good day Honorable Clifford Graham, Chairman of the Committee on Finance, Members of the Committee on Finance, other Senators and Staff, members of the listening and viewing audience, and Taxicab Commission Staff.

The budget committee is represented by Commissioner Angie Smith, both of whom are not here today. The Public information and Communication Committee is headed by Commissioner Griffin and the hearing Committee is headed by Commissioner Cruz.

Other committees are in the making. As an example, a strategic planning committee is being formed. The committee will be formulating policies in a number of areas:

The committee is working on other areas of concern that might improve the taxi industry. We are presently work on revising the rules and regulations hand book.
