OF THE

VIRGIN ISLANDS TAXICAB COMMISSION

Executive Director

Ulric Pilgrim
Chairman of the Board

Good day, Senator Justin Harrigan, Sr. Chairman of the Committee on Government Services, Consumer and Veterans Affairs and other members of the Committee, Senators, staff, listening and viewing public.

I am Leveron Sarauw, Sr. Acting Executive Director of the Virgin Islands Taxicab Commission.

I am here today at the request of the Committee to testify on Bill No.31-0097 to amend Title 20 Virgin Islands Code Chapter 37 subchapter II, section 407 subsection (c) to provide that the three (3) years prohibition against leasing medallion is not applicable to veterans.

As a Veteran who understands the hardship one goes through after returning from serving you country I am in full agreement with the amendment. The ability to lease the medallion will help the veterans to offset the high cost of living and hold his or her family together during these hard and trying times. It the least we can do to help a veteran.
