The Honorable Justin Harrigan, Sr.
Senator
Legislature of the Virgin Islands
Capitol Building
P.O. Box 1690
Charlotte Amalie, Saint Thomas, VI 00804

Dear Senator Harrigan:

I am receipt of your correspondence dated August 8, 2016 inviting me to testify at a hearing on August 22, 2016 by the Committee on Government Services, Consumer and Veterans Affairs on Saint John regarding barge services between Saint Thomas and Saint John. Please note that presently Varlack Ventures, Inc. does not provide car barge services between Saint Thomas and Saint John. We do, however, as you know, provide the passenger ferry service between the aforementioned ports.

We appreciate your invitation and trust that the hearing will be extremely beneficial to the members of the Legislature and the members of the Saint John community, but most importantly to the entire Virgin Islands community.

If I can be of any assistance with respect to this matter, please let me know.

Respectfully,

Delrise A. Varlack
General Manager
