Re: **Bill 31-0335**

Senator Novelle E. Francis, Jr. has opted to withdraw 31-0335 from the September 21, 2016 agenda for the Committee on Government Services, Consumer and Veterans' Affairs, while he conducts additional due diligence with the various agencies that will be involved in fully implementing the proposed system. For this reason, he is respectfully requesting that it be held until further notice.

Thank you for your assistance.
