Dental Claims Per Employee Per Month
October 2023 - Current

**THIRD RENEWAL OF
GROUP MEDICAL HEALTH INSURANCE AGREEMENT**

THIS AGREEMENT made and entered into this 1st day of October, 2026 by and between the Government of the Virgin Islands, through the Health Insurance Board of Trustees, (the "Government") the Virgin Islands Port Authority (the "Authority"), the University of the Virgin Islands ("UVI"), the Virgin Islands Housing Authority (the "Housing Authority"), Non-Profit Organizations defined as eligible by the Government, and Frederiksted Health Care, Inc. ("FHC") (the Government, the Authority, UVI, the Housing Authority, Non-Profit Organizations and FHC hereinafter individually referred to as, each, "Employer Entity" and collectively referred to as the "Employer") and Cigna Health and Life Insurance Company (hereinafter "Cigna"). For purposes of this Third Renewal of Group Medical Health Insurance Agreement (the "Third Renewal"), a Non-Profit Organization is an entity determined by the Government to satisfy the requirements under applicable U. S. Virgin Islands law for participation under this Third Renewal.

WITNESSETH:

WHEREAS, the Employer and Cigna entered into an Agreement for Group Medical Health Insurance (the "Agreement") approved by the Virgin Islands Legislature on September 22, 2023; and

WHEREAS, the Agreement was for a one (1) year term and provides that the parties may renegotiate and renew the Agreement for up to four (4) successive twelve (12) month terms; and

WHEREAS, the Employer and Cigna intend, pursuant to this Third Renewal, to renew the Agreement for an additional twelve (12) month term commencing October 1, 2026 and ending September 30, 2027, and amend the Agreement, as renewed, to provide for new rates defined below.

Contractors Initials: YS

NOW THEREFORE, for and in consideration of the mutual covenants and promises made herein, the parties agree as follows:

1. The Agreement, pursuant to the terms herein, is renewed for a twelve (12) month term commencing October 1, 2026 and ending September 30, 2027.

2. Commencing October 1, 2026, premium rates shall be set at the following monthly rates established in the Third Renewal (hereinafter referred to as the "premiums"):

<u>Category</u>	<u>Cost</u>
Employee	\$1,307.62
Employee & Family	\$2,286.44
Retiree Under Age 65	\$1,695.34
Retiree & Family Under Age 65	\$3,030.10
Retiree & Family Over Age 65	\$2,336.56
Disabled Retiree	\$781.00
Disabled Retiree & Family Under Age 65	\$1,726.78
Disabled Retiree & Family Over Age 65	\$1,292.42
Pre-65 Dependent Unit of Post-65 Retiree	\$1,695.34

The rates set forth above include all administrative charges for the services agreed to be made available to the Employer.

2. Commencing October 1, 2026, Cigna shall continue to provide coverage for all of the present active employees and Pre-65 retiree enrollees and their dependents who are eligible under the Government Plan.

Contractors Initials: YS

3. Commencing October 1, 2026, Cigna will now call the Health Improvement Fund the Plan Administration Fund ("PAF"). The total PAF allocation shall be increased to \$1,500,000 and distributed as follows:

- a. \$750,000 shall be designated exclusively for the approved Gym Membership and Personal Training proposals.
- b. \$750,000 shall be designated exclusively for approved wellness activities and events, wellness-related incentives, including wellness participation awards and approved wellness related giveaways as well as MotivateMe incentive redemption reimbursements.

To ensure compliance with PAF governance requirements, the following conditions will apply:

1. All expenses must be incurred within the applicable plan year. Unused funds will not roll over to future plan years.
2. All invoices and reimbursements requests must be submitted within 90 days of the expense date with applicable itemized expenditures and receipts.
3. All wellness programs, activities, and incentives must be made available to all eligible plan participants, including active employees, spouses, dependents, and retirees under age 65.

PAF reimbursements are Cigna-funded dollars intended to support plan administration and approved wellness initiatives. Funds are provided by Cigna, their use is subject to regulatory approval and oversight and must comply with Cigna designated policy to prevent potential bribery, inducement, and/or kickback concerns.

Contractors Initials: YS

Accordingly, these funds must be directly related to the administrative services provided by Cigna and used solely for the benefit of all plan participants and used for the implementation of plan benefits. Funds may not be used for capital expenditures, general employer operating expenses, travel, or other personnel related costs. PAF reimbursements shall be used exclusively to support plan wellness initiatives and activities. Cigna will actively monitor all PAF expenditures and transactions. Policy guidance may be updated periodically, and the most current guidelines in effect at the time of the expense must be followed regardless of any prior approvals, reimbursements, or exceptions.

While it is Cigna's intent to provide flexibility around how PAF funds are utilized, Cigna must also ensure reimbursements for Plan expenses follow its PAF policy. As a result, Cigna shall not prescribe or restrict the allocation of PAF funds between specific categories of expenses, provided that all expenses, including wellness programs, activities, and incentives remain accessible to all eligible plan participants, including active employees, spouses, dependents, and retirees under age 65. Accordingly, any decision to reallocate funds based on specific program utilization, emerging needs, or funding priorities shall remain with the Board. This approach allows resources to be directed where they are needed most while maintaining the overall objectives and eligibility requirements of the PAF program. Cigna shall continue to absorb the \$300,000 Motivate Me Program administration fee costs. These fees shall be waived by Cigna as noted in the in the 10/01/23 RFP offer and shall not deducted from the Health Improvement Fund (now called the Plan Administration Fund ("PAF")).

Contractors Initials: YS

4. The Plan Document prepared by Cigna will describe the benefits provided under the group benefit policy, including but not limited to the benefits required by federal and territorial law.

5. Except as expressly amended by this Third Renewal, all terms and provisions of the original Agreement remain in full force and effect.

6. This Third Renewal is subject to the appropriation and availability of funds, the approval of the Governor of the U.S. Virgin Islands, and the approval of the Virgin Islands Legislature.

7. For purposes of this Third Renewal, a photocopy or facsimile copy of the document or a photocopy or facsimile copy of a signature to the document shall have the same effect as an original. Also, this Third Renewal may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF the parties through their authorized representative, set their signatures on the day and year indicated.

For children, you may designate a pediatrician as the primary care provider.

The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. Additional Information

Maximum Reimbursable Charge

The allowable covered expense for non-network services is based on the lesser of the health care professional's normal charge for a similar service or a percentage of a fee schedule (150%) developed by Cigna that is based on a methodology similar to one used by Medicare to determine the allowable fee for the same or similar service in a geographic area. In some cases, the Medicare based fee schedule will not be used and the Maximum Reimbursable Charge for covered services is based on the lesser of the health care professional's normal charge for a similar service or a percentile (80th) of charges made by health care professionals of such service or supply in the geographic area where it is received. If sufficient charge data is unavailable in the database for that geographic area to determine the Maximum Reimbursable Charge, then data in the database for similar services may be used. Out-of-network services are subject to a calendar year deductible and Maximum Reimbursable Charge limitations.

Out-of-Network Emergency Services Charges

1. Emergency Services are covered at the in-network cost-sharing level as required by applicable state or federal law if services are received from a non-participating (out-of-network) provider.
2. The allowable amount used to determine the plan's benefit payment for covered Emergency Services rendered in an out-of-network hospital, or by an out-of-network provider in an in-network hospital, is the amount agreed to by the out-of-network provider and Cigna, or as required by applicable state or federal law.

The member is responsible for applicable in-network cost-sharing amounts (any deductible, copay or coinsurance). The member is not responsible for any charges that may be made in excess of the allowable amount. If the out-of-network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

Medicare Coordination

In accordance with the Social Security Act of 1965, this plan will pay Secondary to Medicare Part A and B as follows:

- (a) a former Employee such as a retiree, a former Disabled Employee, a former Employee's Dependent Spouse and/or Dependent Child(ren), including a former Employee's Domestic Partner, or a COBRA continuant (whose insurance is continued for any reason), and who is also eligible for Medicare due to age or disability;
- (b) an Employee's Domestic Partner who is also eligible for Medicare due to age;
- (c) an Employee, a former Employee, an Employee's or former Employee's Dependent Spouse and/or Dependent Child(ren), an Employee's Dependent, including a Domestic Partner, who is eligible for Medicare due to End Stage Renal Disease after that person has been eligible for Medicare for 30 months.

When a person is eligible for Medicare A and B as described above, this plan will pay as the Secondary Plan to Medicare Part A and B **regardless if the person is actually enrolled in Medicare Part A and/or Part B and regardless if the person seeks care at a Medicare Provider or not for Medicare covered services.**

Multiple Surgical Reduction

Multiple surgeries performed during one operating session result in payment reduction of 50% to the surgery of lesser charge. The most expensive procedure is paid as any other surgery.

One Guide

Available by phone or through myCigna mobile application. One Guide helps you navigate the health care system and make the most of your health benefits and programs.

Exclusions

What's Not Covered (not all-inclusive):

Your plan provides for most medically necessary services. The complete list of exclusions is provided in your Certificate or Summary Plan Description. To the extent there may be differences, the terms of the Certificate or Summary Plan Description control. - Treatment of an Injury or Sickness which is due to war, declared, or undeclared.
- Charges which you are not obligated to pay or for which you are not billed or for which you would not have been billed except that they were covered under this plan. In the exercise of that discretion, Cigna shall have the right to require you to provide proof sufficient to Cigna that you have made your required cost share payment(s) prior to the payment of any benefits by Cigna. This exclusion includes, but is not limited to, charges of a non-Participating Provider who has agreed to charge you or charged you at an in-network benefits level or some other benefits level not otherwise applicable to the services received.
- Charges arising out of or relating to any violation of a healthcare-related state or federal law or which themselves are a violation of a healthcare-related state or federal law.

Please refer to your plan materials for additional information on this plan feature. **Your plan allows you to see any licensed dentist, but using an in-network dentist may minimize your out-of-pocket expenses.**

**RE: Justification Letter – GESC/Health Insurance Board of Trustees CIGNA Medical and
Dental Renewal effective October 1, 2025, Second Renewal**

Dear Governor Bryan:

The Government Employees Service Commission (GESC) Health Insurance Board of Trustees (“Board”) acting as the sole body overseeing the operation of the Government employees’ health and other benefit plans, has recently secured our second renewal with CIGNA Healthcare after completing a Request for Proposals (RFP) for competitive bids as required by statute for insurance services in 2023 which included Medical and Prescription Drug coverage for active employees and retirees, Employee Assistance Program, Dental, Vision, Life and Accidental Death & Dismemberment (AD&D) plans.

This letter will summarize the CIGNA medical (active employees and non-Medicare retirees) and dental renewals. Both the Vision insurance and Life and Accidental Death & Dismemberment plans are in a pricing guarantee for the upcoming fiscal year.

Based upon the most recent medical claims experience report through July 2025, the medical claims expenditures are 113% of the medical plans’ premiums, exclusive of other plan expenditures such as administrative costs. Claims costs per employee per month have increased 18.4% over the past year while enrollment has decreased 1.3%. With losses such as our plan is experiencing, it would be anticipated of have an increase in excess of +30%.

Using Cigna’s standard underwriting formula, the initial increased resulted in a 31% increase. Accordingly, the Board through its Consultant, Gehring Group requested that Cigna use the underwriting formula that they have historically used which generated a 24% increase. Subsequently through negotiations, the Board was able to negotiate the overall increase to a 17.5% increase; however, in order to achieve the savings, this would require the prescription drug plan to

add prescription drug utilization management for certain medications as well as the elimination or exclusion of weight management medications.

In June, the Board tasked its Consultant with developing a plan that would provide a single digit increase. At our July Board meeting the Gehring Group presented a high deductible health plan with a Health Reimbursement Account to help offset the increased deductibles. This plan yielded an overall 9% increase and will be known now as Option 4. Individual deductibles would have increased \$1,000 per person and family deductibles would have increased \$2,000 per family. In addition, the primary care copayment would have increased to \$30, and a specialist copayment would increase to \$60. In addition, name-brand prescription drugs would have been subject to the deductible prior to any copayments being applicable. The Board voted to move forward with the plan changes to provide a savings in premium to both the Central Government and to the employee's payroll deductions. Based upon the proposed premiums, the overall medical increase to the Central Government would be approximately \$10.4 million for a total of \$146.3 million.

The Board along with the Department of Personnel presented Option 4 to employees and retirees at the open enrollment meetings in August. Employees and retirees both expressed concerns for the increased out of pocket costs and their ability to afford to their own health care. After hearing these concerns, the Board requested the Department of Personnel to do a survey to see whether employees wanted to keep what they have with a higher payroll deduction or to move forward with Option 4. Overwhelmingly, 91% of employees wanted to keep their existing plan versus 5% wanting to move forward with Option 4 while 3% did not want either option.

The Board's ongoing negotiations with Cigna has resulted in a best and final offer of maintaining the existing plan at a 17.5% increase with the addition of adding prescription drug utilization management on certain prescriptions while maintaining the coverage for weight loss medication. Cigna expects that this program will save an estimated 2.5%-3% annual savings as prescriptions will be reviewed for safety and lower-cost options. The prescription drug utilization management will help ensure appropriate dosing and safe use; mitigates drug waste/stockpiling; ensures drug is being taken according to medical necessity, FDA approved indications and off-label use; reduction of waste, error, and unnecessary drug use; and promotes use of clinically effective, lower-cost drug before higher-cost option would be considered. This is the only change to the plan as all deductibles, copayments, and out-of-pocket maximums would remain the same. Based upon the proposed premiums, the overall medical increase to the Central Government will be approximately \$20.2 million for a total of \$156 million.

The above dollar amount includes a 3% increase in dental premiums. The premium contractually capped annually throughout the term of the contract. Dental claims expenditures are 101% of the dental plans' premiums, exclusive of other plan expenditures such as administrative costs. Claims costs per employee per month have increased 11.3% over the past year and thus a 3% increase in premiums is justifiable.

In addition to the above financial implications, Cigna will continue to include and enhance the following in their contract with the Board:

- Support the USVI community by providing six (6) two-year nursing scholarships to the University of the Virgin Islands in the amount of \$6,250 per student per year and providing \$375,000 in grants to non-profit agencies.
- Provide a Wellness Fund of \$1,000,000.
- Continuation of the two (2) full time on-site Customer Service Representatives.
- Inclusion of MotivateMe, a turnkey wellness incentive program that gives employees and their spouses opportunities to earn rewards for taking charge of and improving their health while funding \$300,000 in incentives.
- Continuation of Omada's Pre-Diabetes Prevention Program.
- Continuation of the 2 Health Improvement Offices with two (2) health coaches and two (2) mobile vans; and
- Placing \$1.7 in premiums at risk for performance guarantees.

The Board believes it was able to obtain the overall lowest cost for both the Government, and its employees and retirees, while maintaining a viable benefit offering.

Sincerely,

Beverly A. Joseph

Selection of a Primary Care Provider - your plan may require or allow the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. If your plan requires designation of a primary care provider, Cigna may designate one for you until you make this designation. For information on how to select a primary care provider, and for a list of the participating primary care providers, visit www.mycigna.com or contact customer service at the phone number listed on the back of your ID card. For children, you may designate a pediatrician as the primary care provider.

Direct Access to Obstetricians and Gynecologists - You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. Additional Information

Maximum Reimbursable Charge

The allowable covered expense for non-network services is based on the lesser of the health care professional's normal charge for a similar service or a percentage of a fee schedule (150%) developed by Cigna that is based on a methodology similar to one used by Medicare to determine the allowable fee for the same or similar service in a geographic area. In some cases, the Medicare based fee schedule will not be used and the Maximum Reimbursable Charge for covered services is based on the lesser of the health care professional's normal charge for a similar service or a percentile (80th) of charges made by health care professionals of such service or supply in the geographic area where it is received. If sufficient charge data is unavailable in the database for that geographic area to determine the Maximum Reimbursable Charge, then data in the database for similar services may be used. Out-of-network services are subject to a calendar year deductible and Maximum Reimbursable Charge limitations.

Out-of-Network Emergency Services Charges

1. Emergency Services are covered at the in-network cost-sharing level as required by applicable state or federal law if services are received from a non-participating (out-of-network) provider.
2. The allowable amount used to determine the plan's benefit payment for covered Emergency Services rendered in an out-of-network hospital, or by an out-of-network provider in an in-network hospital, is the amount agreed to by the out-of-network provider and Cigna, or as required by applicable state or federal law.

The member is responsible for applicable in-network cost-sharing amounts (any deductible, copay or coinsurance). The member is not responsible for any charges that may be made in excess of the allowable amount. If the out-of-network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

Medicare Coordination

In accordance with the Social Security Act of 1965, this plan will pay Secondary to Medicare Part A and B as follows:

- (a) a former Employee such as a retiree, a former Disabled Employee, a former Employee's Dependent Spouse and/or Dependent Child(ren), including a former Employee's Domestic Partner, or a COBRA continuant (whose insurance is continued for any reason), and who is also eligible for Medicare due to age or disability;
- (b) an Employee's Domestic Partner who is also eligible for Medicare due to age;
- (c) an Employee, a former Employee, an Employee's or former Employee's Dependent Spouse and/or Dependent Child(ren), an Employee's Dependent, including a Domestic Partner, who is eligible for Medicare due to End Stage Renal Disease after that person has been eligible for Medicare for 30 months.

When a person is eligible for Medicare A and B as described above, this plan will pay as the Secondary Plan to Medicare Part A and B **regardless if the person is actually enrolled in Medicare Part A and/or Part B and regardless if the person seeks care at a Medicare Provider or not for Medicare covered services.**

Multiple Surgical Reduction

Multiple surgeries performed during one operating session result in payment reduction of 50% to the surgery of lesser charge. The most expensive procedure is paid as any other surgery.

Deductible - A flat dollar amount you must pay out of your own pocket before your plan begins to pay for covered services.

Out-of-Pocket Maximum - Specific limits for the total amount you will pay out of your own pocket before your plan coinsurance percentage no longer applies. Once you meet these maximums, your plan then pays 100 percent of the "Maximum Reimbursable Charges" or negotiated fees for covered services.

Exclusions

What's Not Covered (not all-inclusive):

Your plan provides for most medically necessary services. The complete list of exclusions is provided in your Certificate or Summary Plan Description. To the extent there may be differences, the terms of the Certificate or Summary Plan Description control. Examples of things your plan does not cover, unless required by law or covered under the pharmacy benefit, include (but aren't limited to):

- Care for military service disabilities treatable through governmental services if you are legally entitled to such treatment and facilities are reasonably available.
- Treatment of an Injury or Sickness which is due to war, declared, or undeclared.
- Charges which you are not obligated to pay or for which you are not billed or for which you would not have been billed except that they were covered under this plan. For example, if Cigna determines that a provider or Pharmacy is or has waived, reduced, or forgiven any portion of its charges and/or any portion of Copayment, Deductible, and/or Coinsurance amount(s) you are required to pay for a Covered Expense (as shown on The Schedule) without Cigna's express consent, then Cigna in its sole discretion shall have the right to deny the payment of benefits in connection with the Covered Expense, or reduce the benefits in proportion to the amount of the Copayment, Deductible, and/or Coinsurance amounts waived, forgiven or reduced, regardless of whether the provider or Pharmacy represents that you remain responsible for any amounts that your plan does not cover. In the exercise of that discretion, Cigna shall have the right to require you to provide proof sufficient to Cigna that you have made your required cost share payment(s) prior to the payment of any benefits by Cigna. This exclusion includes, but is not limited to, charges of a non-Participating Provider who has agreed to charge you or charged you at an in-network benefits level or some other benefits level not otherwise applicable to the services received.
- Charges arising out of or relating to any violation of a healthcare-related state or federal law or which themselves are a violation of a healthcare-related state or federal law.

Drug Utilization Management: Essential Protection.

Helps protect against potential drug misuse and rising drug costs.

Cigna Pharmacy Management aims to help our clients maximize the value of their pharmacy benefit plan. Similar to formulary management, our Essential Protection drug utilization management package helps protect customers by monitoring use of certain drugs and directs them to lower-cost drug options with similar outcomes when appropriate. For clients who have integrated benefits, we can use the Utilization Management (UM) process to request that the customer receive outreach for medication coaching or other holistic coaching support.

The Essential Protection package helps improve pharmacy benefit plan affordability and protection – delivering an estimated 2.5%–3% annual savings.¹

Prescriptions are reviewed for safety and lower-cost options. We'll monitor:

Drug Quantity Limits	Drug Prior Authorization	Drug Step Therapy
• Helps ensure appropriate dosing and safe medication use. • Mitigates drug waste/stockpiling.	• Ensures drug is being taken according to benefit plan parameters including medical necessity, FDA approved indication(s) and accepted off-label uses. • Reduction of waste, error and unnecessary drug use (e.g., opioids).	• Promotes use of clinically effective, lower-cost drug before higher-cost option would be approved. • A medical necessity review is available for approval of a higher-cost drug.

The Institute of Medicine estimates at least 1.5 million preventable adverse drug events occur within the healthcare system each year – costs estimated to exceed \$4 billion annually.*

How it works – customer examples

Protection		Customer Trigger 	Cigna Healthcare Interaction 
Quantity limits Provides access to clinically appropriate quantity of dose and duration.	 Conner	Conner has severe tree nut allergies. He carries an epinephrine pen in his backpack in case of anaphylactic shock.	 To avoid stockpiling, Cigna Healthcare limits epinephrine pens for anaphylaxis to four pens per 22 days.
Prior authorization Ensures medications are being taken according to benefit plan parameters such as medical necessity and FDA approved indications to ensure appropriate use and safety.	 Kim	Kim is prescribed Ozempic® for weight loss.	 This medication is part of RxClaim Connect and at the pharmacy, Cigna Healthcare's real-time integrated data can be used in an attempt to auto-approve the PA for certain drugs such as Ozempic (which requires a diagnosis of Type 2 diabetes). When requirements are not met, (neither medical nor pharmacy information show that the patient has Type 2 diabetes), the pharmacy informs Kim that a manual PA is required. Kim's doctor cannot provide evidence of the requirement since she does not have Type 2 diabetes, and coverage is denied.
	 Stephanie	Stephanie is newly diagnosed with Rheumatoid Arthritis and is given several prescriptions from doctor, including Enbrel® .	 • Cigna RxClaim Connect leverages real-time medical, lab and pharmacy analytics to automatically approve the PA for certain drugs such as Enbrel, offering her quick access to coverage for the drug and avoiding unnecessary delays.² • Cigna Healthcare health coaches engage Stephanie on end-to-end care management and personalized coaching, including specialty medication management.
Drug step therapy Promotes use of lower-cost, clinically effective medications.	 Gabriel	Gabriel presents a prescription for Jardiance® at his pharmacy.	 Gabriel and his doctor are notified that a lower-cost alternative is available for type 2 diabetes and absent a medical necessity exception, would need to be tried before Jardiance would be approved for coverage. Gabriel begins treatment with a lower-cost generic alternative.

**RE: Justification Letter – GESC/Health Insurance Board of Trustees CIGNA Medical and
Dental Renewal effective October 1, 2024, First Renewal**

Dear Governor Bryan:

The Government Employees Service Commission (GESC) Health Insurance Board of Trustees ("Board") acting as the sole body overseeing the operation of the Government employees' health and other benefit plans, has recently secured our first renewal with CIGNA Healthcare after completing a Request for Proposals (RFP) for competitive bids as required by statute for insurance services last year which included Medical and Prescription Drug coverage for active employees and retirees, Employee Assistance Program, Dental, Vision, Life and Accidental Death & Dismemberment (AD&D) plans.

This letter will summarize the CIGNA medical (active employees and Non-Medicare retirees) and dental renewals. Both the Vision insurance and Life and Accidental Death & Dismemberment plans are in a pricing guarantee for the upcoming fiscal year.

Based upon the most recent medical claims experience report through June 2024, the medical claims expenditures are 99% of the medical plans' premiums, exclusive of other plan expenditures such as administrative costs. With losses such as our plan is experiencing, it would be anticipated of have an increase in excess of +25%. However, as stewards of the Government employees' health plan, the Board negotiated a premium cap of +8% for medical coverage and +3% for dental coverage for this upcoming fiscal year no matter how the claims were performing so as to not negatively impact the Government, and its employees and retirees.

According to the Cigna underwriting formula that they have historically used the initial renewal would have been an 18% increase; however, as mentioned prior we negotiated rate caps last year and Cigna is honoring the rate caps with an overall 8% increase for medical coverage and a 3% increase for the

dental coverage. Due to both plans not performing well, they are indicating that they cannot provide any further rate relief without changing our plans and/or reducing the services they provide. Based upon the proposed premiums, the overall medical increase to the Central Government will be approximately \$13.6 million for total of \$187.6 million.

Since there was a substantial increase in premiums, it was vital to the Board that there were no plan design changes (i.e. increasing copayments, deductibles, out-of-pocket maximums). CIGNA agreed to not change any of the benefits, nor did they decrease the level of services that are offered with the current plan.

In addition to the above financial implications, Cigna will continue to include and enhance the following in their contract with the Board:

- Support the USVI community by providing six (6) two-year nursing scholarships to the University of the Virgin Islands in the amount of \$6,250 per student per year and providing \$375,000 in grants to non-profit agencies;
- Provide a Wellness Fund of \$1,000,000;
- Continuation of the two (2) full time on-site Customer Service Representatives;
- Inclusion of MotivateMe, a turnkey wellness incentive program that gives employees and their spouses opportunities to earn rewards for taking charge of and improving their health while funding \$300,000 in incentives;
- Continuation of Omada's Pre-Diabetes Prevention Program;
- Continuation of the 2 Health Improvement Offices with two (2) health coaches and two (2) mobile vans;
- Placing \$1.7 in premiums at risk for performance guarantees; and
- The Cigna Foundation will be offering \$250,000 in grants over the next two years to non-profits in the Territory helping those living with obesity, high blood pressure, diabetes, and other chronic conditions with the goal of improving their overall health.

The Board believes it was able to obtain the overall lowest cost for both the Government, and its employees and retirees, while maintaining a viable benefit offering.

Sincerely,

Beverly A. Joseph

Dear Governor Bryan:

Transmitted herewith for your approval is the Agreement for Group Medical Health Insurance ("Medical Agreement") by and between the Government of the Virgin Islands, through the GESG/Health Insurance Board of Trustees ("Board") ("Government"), and the Virgin Islands Port Authority (the "Authority"), the University of the Virgin Islands ("UVI"), the Virgin Islands Housing Authority (the "Housing Authority"), Non-Profit Organizations defined as eligible by the Government, and Frederiksted Health Care, Inc. According to the terms of the Medical Agreement, Cigna will provide group health insurance coverage to active government employees, pre-65 retirees, and their dependents for a term commencing October 1, 2023, and ending September 30, 2024. summary of the medical plans for 2023-2024 in a letter dated August 23, 2023 ("Board Letter"), which is attached for your review.

Under the Virgin Islands Code Title 3 V.I.C. §633, the Board must issue a Request for Proposal from companies interested in providing group medical insurance coverage for its employees at least once every five years. According to the Board Letter, the Board completed a Request for Proposals (RFP) for competitive bids as required by statute for insurance services, which included Medical and Prescription Drug coverage for active employees and retirees, Employee Assistance Program, Dental, Vision, Life, and Accidental Death & Dismemberment (AD&D) plans. The RFP was released on March 15, 2023, and bids were received through April 24, 2023. Advertisements were released nationally and in the St. Croix, St. John, and St. Thomas Source publications from March 15 through April 14, 2023.

Through the RFP process, the Board received two (2) responses for medical coverage covering all active employees and pre-65 retirees - One from Cigna Healthcare (incumbent) and one from UnitedHealthcare. UnitedHealthcare proposed a 2% increase in premiums while matching the existing benefits. Subsequently, Cigna offered a premium rate cap for year 2 of the Contract not to exceed 8%, while United provided a not-to-exceed of 12%. The RFP evaluations were reviewed at the Board's May meeting, and finalist meetings were held in person at the Board's meeting in June.

The Board Letter also explains that based upon the most recent medical claims experience report through July 2023, the medical claims expenditures are 90% of the medical plans' premiums, excluding other plan expenditures such as administrative costs. The medical claims expenditure has increased from the prior year. Although the losses have increased 4.4% from the prior period, the Board was anticipating a 5-8% increase in premiums to cover future claims and expenses based upon an analysis by our Consultant, Gehring Group.

Since the premiums will remain the same for the upcoming fiscal year, the overall impact on the Central Government will be approximately \$107 million based on the existing cost-share with employees and retirees. It was vital to the Board that there were no plan design changes (i.e., increasing copayments, deductibles, out-of-pocket maximums) due to the current state of the economy, and Cigna agreed not to change any of the benefits, nor did they decrease the level of services that are offered with the current plan.

In addition to the above financial implications, Cigna will continue to include and enhance the following in their Contract with the Board:

- Support the USVI community by providing six (6) two-year nursing scholarships to the University of the Virgin Islands for \$6,250 per student per year and providing \$375,000 in grants to non-profit agencies;
- Provide a Wellness Funds of \$1,000,000 (currently \$700,000);
- Continuation of the two (2) full-time on-site Customer Service Representatives;

- Inclusion of MotivateMe, a turnkey wellness incentive program that gives employees and their spouses' opportunities to earn rewards for taking charge of and improving their health while funding \$300,000 in incentives; Continuation of Omada's Pre-Diabetes Prevention Program;
- Continuation of Omada's Pre-Diabetes Prevention Program;
- Continuation of the 2 Health Improvement Offices with two (2) health coaches and two (2) mobile vans;
- Placing \$1.7 in premiums at risk for performance guarantees; and
- The Cigna Foundation will be offering \$250,000 in grants over the next three years to non-profits in the Territory, helping those living with obesity, high blood pressure, diabetes, and other chronic conditions to improve their overall health

The Office of Management and Budget includes the cost of health insurance in each department's budget for its employees' fringe benefits. This Contract is expressly made subject to your approval and the appropriation and availability of funds. The Contract includes language allowing for execution in any number of counterparts, each of which shall be deemed an original, even if a photocopy or facsimile. Therefore, the enclosed Contract has the original signature of the Cigna representatives and copies of the execution by the Employers involved in the Contract.

AGREEMENT

FOR GROUP MEDICAL HEALTH INSURANCE

THIS AGREEMENT made and entered into this 1st day of October, 2023 by and between the Government of the Virgin Islands, through the Health Insurance Board of Trustees, (the "Government") the Virgin Islands Port Authority (the "Authority"), the University of the Virgin Islands ("UVI"), the Virgin Islands Housing Authority (the "Housing Authority"), Non-Profit Organizations defined as eligible by the Government, and Frederiksted Health Care, Inc. ("FHC") (the Government, the Authority, UVI, East End Medical, the Housing Authority, Non-Profit Organizations and FHC hereinafter individually referred to as, each, "Employer Entity" and collectively referred to as the "Employer") and Cigna Health and Life Insurance Company (hereinafter "Cigna"). For purposes of this Agreement, a Non-Profit Organization is an entity determined by the Government to satisfy the requirements under applicable U. S. Virgin Islands law for participation under this Agreement.

WITNESSETH:

WHEREAS, the Employer consists of the Government of the Virgin Islands and its independent instrumentalities; and

WHEREAS, the Employer provides group health insurance benefits to its eligible employees and their dependents, pre-65 retirees and their dependents, and under 65 dependents of retirees 65 and over (hereinafter the "Government Plan"); and

WHEREAS, in accordance with Title 3, Chapter 25, Subchapter VIII, of the Virgin Islands Code, the Employer issued a Request for Proposal No. 2023-01 from companies interested in providing group health insurance coverage for its employees; and

WHEREAS, Cigna along with other companies submitted a proposal to provide health insurance benefits to the Employer; and

WHEREAS, the Employer has accepted the proposal of Cigna and the parties have negotiated and arrived at an agreement for the terms of the contract; and

WHEREAS, the terms of the Group Medical Health Insurance Agreement shall consist of the terms provided herein and the terms of the addenda and attached exhibits which are fully incorporated herein by reference; and

NOW THEREFORE, for and in consideration of the mutual covenants and promises

made herein, the parties agree as follows:

1. TERM

This Contract shall be in force and effect for a term of twelve (12) months beginning on October 1, 2023, and ending September 30, 2024. This contract is subject to annual review and renewal, with terms to be renegotiated by the parties, for up to four (4) successive twelve (12) month terms. The Employer shall give notice of its intent to renew the contract at least sixty (60) days prior to the expiration of the term of the contract.

2. COMPENSATION FOR INSURER

A. The Employer shall pay premium payments to Cigna in accordance with the terms contained in Addenda I and II to the Contract which by this reference are incorporated herein.

B. Premium payments are due as provided for in Addendum 1. Cigna may terminate the insurance policy for the reasons set forth in Section 19 of this contract, including for non-payment of premium. It is understood by Cigna that the applicable Employer Entities, including the Housing Authority, the Non-Profit Organizations, the Authority, East End Medical, FHC and UVI shall be responsible for paying the premiums for its employees separate from the responsibility of the Government. If any paying entity shall default on the payment of premiums, Cigna may terminate the agreement with such entity.

C. While the future premiums shall be based upon the claims experience, it is agreed by the parties that the premium rates for any renewal period shall be calculated in accordance with Cigna's standard underwriting policies and procedures then in effect.

3. PREMIUM STABILIZATION RESERVE

A Premium Stabilization Reserve (PSR) will be established. The PSR will be funded from policy year to policy year with any experience-rating credits (premiums paid minus claims paid, reserve adjustments and expenses including risk charge) that develop in accordance with the Policy. Such funds are those which, under Cigna's standard underwriting policies and procedures, may otherwise be returned directly to the Employer. The PSR will be held by Cigna in conjunction with the Policy and will be apart from the reserves funded and maintained

by Cigna pursuant to applicable insurance law and sound underwriting practice. The funds in the PSR shall be held on behalf of Employer. All funds, including interest earned, will be paid to Employer on request, subject to the conditions contained herein, although such interest income, at the prospective rate set annually by Cigna for all PSRs, attributable to the PSR will be used by Cigna to offset expenses on the Policy. While all premiums earned by Cigna shall be due to Cigna regardless of the existence of the PSR, the PSR may be used to pay earned premiums only upon mutual agreement by and between Employer and Cigna.

The PSR will be debited for:

- (a) the excess in any policy year of claims paid, reserve adjustments and expenses, including risk charge, over premiums earned (unless Employer chooses to pay Cigna part or all of such excess from other sources);
- (b) any portion to be used at Employer's direction to reduce premium increases that may otherwise be charged, if approved by Cigna; and
- (c) any portion to be used at Employer's direction to pay earned premiums, if approved by Cigna (Premium Holiday).

Upon termination of this Contract, any balance remaining in the PSR after being debited as set forth above will be paid to Employer, with interest, not later than 210 days after termination. In accordance with applicable Internal Revenue Service rulings, no withdrawals of funds from the PSR are permitted except as hereinbefore provided.

4. BENEFITS PLAN

The benefits provided to employees by Cigna are as described in Addendum 2 to the Contract and are incorporated herein.

5. PARTICIPATING PROVIDER DIRECTORY

Participating Provider Directories are available on mycigna.com or viequicare.com.

6. OPEN ACCESS PLAN

(a) The Plan under this Contract (for all except Puerto Rico residents), shall be part of Cigna's Open Access Plan ("OAP"). Under the OAP, members have the opportunity to select a

Primary Care Physician ("PCP"). However, this is not a requirement and the decision is made at the member level when they enroll in the plan. Although members are not required to choose a PCP under the OAP, split co-pay differentials between the PCPs and specialists may result. The lower co-pays for PCPs provide an incentive to members to seek care in the most appropriate, cost effective setting.

(b) The OAP shall apply to members obtaining medical services on the mainland United States. Members who are residents of the Virgin Islands shall remain part of a Participating Provider network utilized for medical services obtained in the Virgin Islands and in Puerto Rico. The Employer's group medical plan shall be considered an OAP. For Puerto Rico residents the plan shall be an indemnity plan.

7. BOOKLETS

Within SIXTY (60) days of final approval of this agreement and of the benefit plan to be provided to Employer, Cigna shall produce and distribute the complete booklet describing the agreed upon benefit plan. This benefit plan booklet will include a Summary of Benefits and Coverage that shall meet the requirements set forth in PPACA. The number of copies and manner of distribution will be as directed by the Employer and as agreed upon by and between the Employer and Cigna.

8. REPORTS

A. Cigna shall provide Employer with the following standard reports as follows:

(a) Detail claim register, noting claims paid	(Upon Request)
(b) Premium earned vs. claims paid report	(Monthly)
(c) Large claims report year-to-date claim	(Monthly)
(d) Financial year end accounting	(Annual)
(e) On/Off island report	(Quarterly)
(f) Quality accuracy reporting	(Quarterly)
(g) Experience and Utilization Analysis reports	(Annually)
(h) Monthly enrollment totals	(Quarterly)

- (i) Detailed Utilization analysis including by service/treatment type plus comparisons to Book of Business norms (Annually)

Each of the above listed reports shall provide information separately by:

1. Status (i.e., Member or Dependent)
2. Class of Participant (i.e., Active or Pre-65 Retiree)
3. Employer Entity (i.e., Government, UVI, the Authority, Non-Profit Organization, etc.)

B. In addition to standard reports (currently listed in the contract), any non-standard ad hoc reports shall be produced at charges to be determined by Cigna.

9. ENROLLMENT

Cigna shall accept and provide coverage for all of the present active employee and Pre-65 retiree enrollees without requiring evidence of insurability.

10. PERFORMANCE GUARANTEES

Cigna and Employer have agreed upon certain performance guarantees as set forth below. Failure to satisfy any of the performance guarantees shall not, by itself, constitute a material breach of this Agreement as long as Cigna's performance under the performance guarantees set forth below does not fall below 80% for any measurable standard for two consecutive reporting periods.

The performance guarantees set forth below are effective as of October 1, 2023 (the "Commencement Date"). The "Term" of the performance guarantees shall be from the Commencement Date through the last day of the twelfth (12th) consecutive month following the Commencement Date (the "Term").

Performance Commitments and Penalty Amounts

In connection with the services Cigna will provide to the Employer with respect to the Plan, Cigna guarantees its performance as stated below. (A summary of all performance commitments and their associated penalties is attached hereto and made a part hereof at Addendum 3).

A. Time to Process

1. Time-to-Process Performance Commitments

(a) 14 Day Time-to-Process Performance Commitment. Cigna shall process a designated percentage of claims it receives in connection with the Plan during the Term ("Claims") within fourteen (14) Calendar Days, as calculated under the Time-to-Process Formula set forth below. The designated percentage is shown in Addendum 3 of this Agreement.

(b) 30 Day Time-to-Process Performance Commitment. Cigna shall process a designated percentage of Claims within thirty (30) Calendar Days, as calculated under the Time-to-Process Formula set forth below. The designated percentage is shown in Addendum 3 of this Agreement.

2. Time-to-Process Results Measurement

(a) The calculation of the time to process Claims ("Time-to-Process") will be account-specific.

(b) Time-to-Process will be calculated by counting the number of Calendar Days from the Calendar Day that the Claim is received by Cigna to and including the Calendar Day the Claim is processed. The Calendar Day the Claim is received will not be included in this calculation.

(c) "Calendar Days" will mean the days of the week, including Saturdays, Sundays and all holidays.

3. Time-to-Process Penalties

(a) 14 Day Time-to-Process Penalty. The penalty for Cigna's failure to meet the 14 Day Time-to-Process Performance Commitment shall be the amount shown in Addendum 3 of this Agreement.

(b) 30 Day Time-to-Process Penalty. The penalty for Cigna's failure to meet the 30 Day Time-to-Process Performance Commitment shall be the amount shown in Addendum 3 of this Agreement.

B. Financial Accuracy

1. Financial Accuracy Performance Commitment. The claim offices servicing the Employer (the "Claim Offices") shall correctly pay a designated percentage of the total Claim dollars paid for all accounts serviced by the Claim Offices during the Term. The designated percentage is shown in Addendum 3 of this Agreement.

2. Evaluation of Financial Accuracy. Fulfillment of the Financial Accuracy Performance Commitment set forth above ("Financial Accuracy") will be determined as follows:

(a) Data used to determine Financial Accuracy will be comprised of the claims audited for all accounts in the course of routine claim audits conducted by each Claim Office during the Term.

(b) Financial Accuracy will be measured by subtracting the sum of the total dollars overpaid and the total dollars underpaid (without offsetting one against the other) from the total dollars paid and dividing that amount by the total dollars paid.

3. Financial Accuracy Penalty. The penalty for Cigna's failure to meet the Financial Accuracy Performance Commitment shall be the amount shown in Addendum 3 of this Agreement.

C. Claim Payment Accuracy

1. Claim Payment Accuracy Performance Commitment.

The claim offices servicing the Employer (the "Claim Offices") shall accurately pay (correct dollar amount) a designated percentage of the total claims paid for all accounts serviced by the Claim Offices during the Term. The designated percentage is shown in Addendum 3 of this Agreement.

2. Evaluation of Claim Payment Accuracy.

Fulfillment of the Claim Payment Accuracy Performance Commitment set forth above ("Claim Payment Accuracy") will be determined as follows:

- (a) Claim Payment Accuracy will be measured by dividing the number of claims accurately paid by the number of claims audited.
- (b) Data used to determine Claim Payment Accuracy will be comprised of the claims audited for all accounts in the course of routine claim audits conducted by each Claim Office during the Term. The Claim Office results will be weighted in accordance with Section 10.F.1 below.

3. Claim Payment Accuracy Penalty.

The penalty for Cigna's failure to meet the Claim Payment Accuracy Performance Commitment shall be the amount shown in Addendum 3 of this Agreement.

D. Telephone Services

1. Telephone Services Performance Commitments.

Cigna makes the following commitments with respect to its customer service call or claim centers servicing the Employer ("Call Centers"):

- (a) Average Speed of Answer Commitment. The average speed to answer a phone call to a Call Center during the Term ("ASA") shall be no longer than the number of seconds designated in Addendum 3 of this Agreement.
- (b) Telephone Abandonment Commitment. The percentage of calls received by the Call Center resulting in the caller terminating the

call before speaking with a customer service representative (the "Abandonment Rate") shall, on average, be no greater than the percentage designated in Addendum 3 of this Agreement.

2. Evaluation of ASA and Abandonment Rate.

(a) The ASA will be determined by measuring the sum of the total elapsed time between the moment when telephone callers to Call Centers select to speak with a customer service representative and the time the callers are connected with a customer service representative, and dividing that number by the total number of telephone calls answered by the Call Centers during the Term.

(b) Abandonment Rate will be measured by dividing the total number of calls received by each Call Center during the Term that result in the caller terminating the call before

speaking to a customer service representative by the total number of telephone calls received by the Call Centers during the Term and expressing that number as a percent.

(c) ASA and Abandonment Rate will each be calculated automatically by the automatic telephone call distribution system used by each Call Center.

(d) The calculation of ASA and Abandonment Rate will be based on all telephone calls answered or received by the Call Centers and not solely on telephone calls relating to

services provided by Cigna to the Plan.

3. Telephone Services Penalties

(a) Telephone Average Speed to Answer Penalty. The penalty for Cigna's failure to meet the Telephone Average Speed to Answer Performance Commitment shall be the amount shown in Addendum 3 of this Agreement.

(b) Telephone Abandonment Penalty. The penalty for Cigna's failure to meet the Telephone Abandonment Performance

Commitment shall be the amount shown in Addendum 3 of this Agreement.

E. Account Management

1. Account Management Commitment

Cigna's Account Management Team commits to provide services to the Employer of such quality as will result in Cigna's achieving the Account Management Composite Score on the Account Management Report Card. The Account Management Report Card is attached to Addendum 3 of this Agreement and will be completed by the Employer on a quarterly basis.

2. Evaluation of Account Management.

- (a) At the beginning of the Term, the Employer shall designate individuals on its benefits staff who will receive and complete the Account Management Report Card on a quarterly basis.
- (b) The Account Management Report Card will be distributed to the Employer's designated staff members on a quarterly basis and shall be completed and returned to Cigna by the Employer within three weeks of its distribution date. The failure of the Employer to satisfy this condition shall nullify the Account Management Commitment.
- (c) Following the end of the Term and receipt of the 4th quarterly survey from the Employer, Cigna will calculate the Composite Score in each performance assessment category by averaging the scores for the four quarters of the Term. The assessments of each of the designated staff members and each of the performance assessment categories will be weighted equally. The Account Management Commitment will be deemed as fulfilled if the average of the Composite Scores in each category (the "Account Management Composite Score") is equal to or greater than the Account Management Composite Score indicated on Exhibit A to Addendum 3 of this Agreement.
- (d) Cigna reserves the right to make changes in the staff/personnel assigned to an account during the Term.

3. Account Management Penalty.

The penalty for Cigna's failure to meet the Account Management Commitment shall be the amount shown in Addendum 3 of this Agreement.

F. Weighting of Performance Results

1. Weighting of Results for Financial Accuracy and Claim Payment Accuracy.

Results for Financial Accuracy and Claim Payment Accuracy will be weighted to accurately reflect the proportion of Claims processed in each Claim Office on behalf of the Plan. Specifically, the results for each Claim Office during the Term will be multiplied by a fraction where the numerator is equal to the number of Claims processed in each Claim Office on behalf of the Plan and the denominator is equal to the total claims processed in all Claim Offices for the Plan. The resulting product for each Claim Office will be added together, and the sum will represent the "Weighted Result." The Weighted Result will determine whether the performance commitment has been met.

2. Weighting of Results for Telephone Services.

Results for Telephone Services from each assigned Inquiry Center will be weighted equally in order to calculate the overall result.

G. Evaluation of Services and Payment of Penalties

1. Within four months after the end of the Term, Cigna shall compile the necessary documentation and perform the necessary calculations to evaluate its fulfillment of each performance commitment set forth in this Agreement and make this information available to the Employer.

2. Any dispute with the amount Cigna determines to be owed under this Agreement must be raised in writing within sixty (60) days of the date that Cigna notifies the Employer in writing of its determination.

3. If Cigna fails to meet any of the performance commitments set forth above, Cigna shall pay to the Employer the appropriate financial penalty set forth in Addendum 3 of this Agreement.

4. The penalty amounts in Addendum 3 have been established in relationship to the number of employees that the Employer has projected will be enrolled on the Effective Date. That number is stated in Addendum 3. In the event that the actual number of employees enrolled on the Effective Date is greater than one hundred fifteen percent (115%) of the projected number, the Employer reserves the right to increase the penalty amounts in proportion to the variation between the actual and projected number of enrolled employees. Correspondingly, Cigna reserves the right to decrease the penalty amounts in proportion to the variation between the actual and projected number of enrolled employees in the event that the actual number of employees enrolled on the Effective Date is less than eighty-five (85%) of the projected number.

5. The total amount payable by Cigna during the Term for failure to meet the performance commitments set forth in this Agreement shall not exceed the sum of the penalties associated with each performance commitment, that total amount being \$1,268,100.

6. Change in Reporting Format or Measurement. Cigna reserves the right to replace or modify any performance commitment if necessitated by a change in circumstances that would cause the performance commitment to be an inaccurate or unfair method of measuring Cigna's performance. In such event, the performance commitment will be modified to the degree necessary to carry out the intent of the parties.

7. Setoff. Cigna shall be entitled to setoff any amount owed by Cigna to the Employer under this Agreement against any debt owed by the Employer to Cigna, whether now existing or hereafter arising.

H. Force Majeure

Notwithstanding any other Force Majeure clauses in this Agreement, and as more fully set forth in Addendum 4, Cigna shall not be liable for any failure to meet any of the obligations specified or required under this Agreement where such failure to perform is due to any contingency beyond the reasonable control of Cigna, its employees, officers, or directors. Such contingencies include, but are not limited to, acts or omissions of any person or entity not employed or reasonably controlled by Cigna, its employees, officers, or directors, acts of God, fires, wars, accidents, labor

disputes or shortages. and governmental laws, ordinances, rules or regulations, whether valid or invalid.

In the event of termination under this paragraph, the Employer shall be liable for premium payments up to and including the date of termination.
3. By the Employer in the event of a material breach of the Contract by Cigna. For purposes of the paragraph, a material breach is a violation or nonperformance of a Contract term that is substantial and significant, may result in a liability to the

Employer, or may give rise to a cause of action against Cigna by Employer. the Employer shall give Cigna written notice of its intention to terminate ("Notice of Intent") the Contract pursuant to this Article, which Notice of Intent shall specify the duties and responsibilities that Cigna has failed to perform. Thereupon, Cigna shall have a period of THIRTY (30) DAYS following receipt of said Notice of Intent to cure such failure or failures. If Cigna cures such failure or failures in conformance with the requirements of the Contract and within said 30-day period, the Notice of Intent shall be deemed rescinded. If, however, Cigna fails to cure such failure or failures within said 30-day period, this Contract shall terminate upon the lapse of the 30-day period, unless the parties shall otherwise agree in writing. In the event of termination under this paragraph, the Employer shall be entitled to compensation for all liabilities resulting from the material breach causing termination.

4. By Cigna in the event of a material breach of the Contract by the Employer. For purposes of the paragraph, a material breach is a violation or nonperformance of a Contract term that is substantial and significant or that may give rise to a cause of action against the Employer by Cigna. Cigna shall give the Employer written notice of its intention to terminate the Contract pursuant to this paragraph ("Notice of Intent"), which Notice of Intent shall specify the duties and responsibilities that Employer has failed to perform or the reasons that led Cigna to the conclusion to terminate.

Thereupon, Employer shall have a period of THIRTY (30) DAYS following receipt of said Notice of Intent to cure such failure or failures. If Employer cures such failure or failures in conformance with the requirements of the Contract and within said 30-day period, the Notice of Intent shall be deemed rescinded. If, however, Employer fails to cure such failure or failures within said 30-day period, this Contract shall terminate upon the lapse of the 30-day period, unless the parties shall otherwise agree in writing.

In the event of termination under this paragraph, Cigna shall be entitled to premium payments up to and including the date of termination.

5. Termination in the event of non-payment of premium will be governed by Addendum I attached hereto.

B. Notice of termination shall be given a party by certified mail with return receipt requested addressed to the other party as provided in Section 33 of this Contract, and shall specify with particularity the nature and date of the termination.

C. In the event of termination of this Contract, the Employer has the sole responsibility to notify all Subscribers, as defined in Addendum 1 attached hereto, of the termination.

D. In the event of termination the Employer has the sole responsibility to fulfill requirements (if any) of notifying members of any state or federal conversion or continuation of coverage rights or benefits to which members might be entitled. Cigna has no responsibilities, liabilities, or duties related to this notification.

E. If in Cigna's discretion, it is in the best interests of Cigna for Cigna to additionally notify some or all Subscribers, as defined in Addendum 1 attached hereto, of termination of this Agreement, Cigna may do so, but in so doing does not lessen or relieve the obligations of the Employer stated in this paragraph. A copy of any notice intended to be sent to all or a significant portion of Subscribers, as defined in Addendum I attached hereto, shall be provided in advance of mailing to the Employer, except that prior notice is not required for notices that may be delivered electronically in response to electronic processing of claims or via phone in response to inquiries.

F. Notwithstanding anything herein to the contrary, in the event this Contract is terminated, Cigna shall continue to process claims incurred while the Contract was in effect so long as such claims are filed within the Run-Off Period, as that term is defined in Addendum 1.

20. GOVERNING LAW

A. This Contract shall be governed by the laws of the United States Virgin Islands and jurisdiction over any matter or dispute with respect to this Contract is exclusive in the courts, sitting in the U.S. Virgin Islands.

B. Cigna covenants that it has familiarized itself with the applicable provisions of Title 22, Virgin Islands Code.

21. WAIVERS AND AMENDMENTS

No waiver, modification or amendment of any term, condition or provision of this Contract shall be valid or of any force or effect unless made in writing, signed by the parties hereto or their duly authorized representative, and specifying with particularity the nature and extent of such waiver, modification or amendment. Any such waiver, modification or amendment in any instance or instances shall in no event be construed to be a general waiver, modification or amendment of any of the terms, conditions or provisions of this Contract, but the same shall be strictly limited and restricted to the extent and occasion specified in such signed writing or writings.

22. AUTHORITY

Each party warrants and represents that it is authorized to enter into this Agreement, and agrees to be bound by the terms herein. The parties further warrant and represent that the persons signing on their behalf are representatives of the entity with proper and sufficient authority to bind the entity to the terms of this Agreement.

23. RETENTION OF RECORDS AND ACCESS BY GOVERNMENT AGENCIES

Cigna, including its employees and subcontractors, shall maintain all claim records and supporting documentation books, accounting records and other evidence pertaining to costs expended or incurred under this Contract and make such materials available at their respective offices at all reasonable times, for inspection by authorized officials of the United States Virgin Islands, and concerned Federal agencies who are legally authorized to review such records. Each subcontract shall include a provision containing the conditions of this Section. This documentation described in this Section shall be retained and preserved for a period of SIX (6) years from the date of expiration or termination of this Contract.

24. RIGHT TO RECOVER

Cigna shall be financially responsible for any overpayment due to its own error. Any such overpayments that are recovered shall be credited to the claim experience of the plan(s) that Cigna insures for the Employer. Further, Cigna shall not, as a result of any such overpayment, charge Employer any amount in addition to the agreed upon premium rates.

25. Cigna PERSONNEL

Cigna shall commit a cohesive, dedicated, highly trained skilled core team to the management and administration of the Government Plan (said team hereinafter referred to as the "Government Plan Management Team"). Cigna shall also assign an account representative, who shall be a member of said core team, to the Government Plan who shall be available as needed to respond to inquiries from the GESC Board and the Office of Group Health Insurance. Cigna shall provide Employer with the names of the individuals constituting the Government Plan Management Team and a brief summary of the qualifications and professional experience of such individuals. Cigna shall advise the Government of any change in the composition of the Government Plan Management Team.

26. RECOVERY SERVICES

A. Definitions.

1. “Overpayments” means payments that exceed the amount payable under the plan (e.g. because of Health Care Provider billing error, retroactive or inaccurate eligibility information, coordination of benefits, Medicare disputes, or missing information), and other overcharges made by Health Care Providers, including, without limitation, overcharges discovered during the course of a hospital bill audit, and fraudulent claims.

2. “Health Care Provider” shall have the meaning set forth in Section 1722 of Title 22, Virgin Islands Code, as the same may be amended from time to time.

B. Coordination of Benefits and Subrogation.

Cigna has reasonable business processes for adjudicating claims submitted by covered individuals and providers for benefits provided to participants under Employer’s group health insurance policy. The processes include coordinating benefits with other benefit plans that also provide coverage to individuals covered by Employer’s group health policy and circumstances where a third party may be responsible for the cost of services provided. This process is integral to the administration of the policy and consequently there is no additional charge to Employer in addition to premium paid for the benefits provided under Employer’s group health policy.

C. Claim Recovery.

As part of its normal operations, Cigna has reasonable processes for identifying and recovering Overpayments of its funds to third parties and such processes continue even after termination of the policy under which the claim payment may have been made. Decisions with respect to how to pursue recovery of such Overpayments are made by Cigna based on its judgment as to what steps are reasonable under the circumstances. Recoveries are made by Cigna for its own benefit with respect to benefit plans that it insures for such Employer and for the benefit of its self-insured clients. This process is integral to the administration of the Employer’s policy and consequently there is no additional charge to Employer in addition to premium paid for the benefits provided under Employer’s group health policy. Semiannually, Cigna shall furnish to Employer at no additional cost a list of Health Care Providers that have received Overpayments and with respect to whom after a period of 90 days from Cigna’s discovery of the Overpayment, Cigna has been unable to collect the Overpayment. The list shall include the name of the Health Care Provider, a contact person, and the amount of the Overpayment. In the event that Employer takes action to

encourage or require the provider to return the overpayment, the overpayment must be returned to Cigna.

D. Abuse and Fraud.

As part of its normal operations, Cigna has reasonable processes for identifying situations where third parties, primarily plan participants and health care providers, may have received amounts to which they are not entitled based on the submission of false or inaccurate claims and for recovering its funds that it may have overpaid based on such claims. Such processes continue even after termination of the policy under which the claim payment may have been made. Decisions with respect to how to pursue such recoveries are made by Cigna based on its judgment as to what steps are reasonable under the circumstances. Recoveries are made by Cigna for its own benefit with respect to benefit plans that it insures and for the benefit of its self-insured clients. Often recoveries are conditioned on the execution of settlement releases that contain confidentiality provisions that prevent Cigna from disclosing the terms of such settlements except as required by law or court order. In the event that the disclosure of such settlement agreement provisions are requested pursuant to legal authority or court order, Cigna shall have the right to receive notice of the legal authority or court order compelling disclosure of such provisions. Cigna shall have the right to challenge any demand made by court order or by the authority of law for disclosure of the provisions of any settlement agreement that, by the terms of the agreement, are confidential. This process is integral to the administration of the policy and consequently there is no additional charge to Employer in addition to premium paid for the benefits provided under Employer's group health Policy.

27. IDENTIFICATION OF PROVIDERS AND PLAN PARTICIPANTS

When applicable and at no additional cost, Cigna will identify to Employer, providers of services or plan participants under review by Cigna's special investigations unit, from which review appears to be substantiated and that includes a significant number of claims for services relating to participants in Employer's health benefit plan. Such information shall include the focus of the review (e.g., upcoding, billing for services not rendered, billing more units of service than were actually provided), specifics of the claims under review and any results specific to claims submitted for payment under Employer's plan. Cigna will not supply information relative to claims for customers other than Employer except in response to a lawfully issued subpoena issued by the Government of the United States Virgin Islands (the "Government"). The Government may enforce its laws with respect to such claims notwithstanding any Provider Settlement that may have been negotiated by Cigna. In the event that the Government takes an

action with respect to claims paid by Cigna with respect to Employer's plan, Cigna shall be identified as the direct victim and shall be the party entitled to repayment or restitution of any overpayments, however denominated. Should the Government initiate any enforcement or criminal actions with respect to such claims, because claims were paid by Cigna, Cigna will be the party entitled to any refund or restitution however denominated.

28. CONDITION PRECEDENT

This Contract shall be subject to the availability and appropriation of funds and to the approval of the Governor. In addition, this Contract is subject to the approval of the Virgin Islands Legislature.

29. NON-DISCRIMINATION

No person shall be excluded from participating in, be denied the proceeds of; or be subject to discrimination in the performance of this Contract on account of race, creed, color, sex, religion, national origin or disability.

30. CONFLICT OF INTEREST

Cigna covenants that it is:

(1) Not a territorial officer or employee (i.e., the Governor, Lieutenant Governor, member of the Legislature or any other elected territorial official; or an officer or employee of the legislative, executive or judicial branch of the Government or any agency, board, commission or independent instrumentality of the Government, whether compensation on a salary, fee or other contractual basis); or

(2) a territorial officer or employee and, as such, has:

(iii) no financial interest in the contract as that term is defined in section 1101, (1) of said Code chapter.

31. CONTINGENT FEE PROHIBITED

Cigna warrants that it has not employed or retained any individual, corporation, partnership or other entity, other than a bona fide employee or agent working for Contractor to solicit or secure this Contract, and that it has not paid or agreed to pay any individual, corporation, partnership or other entity, other than a bona fide employee or agent any fee or other consideration contingent on the making of this Contract.

32. ENTIRE AGREEMENT

The terms and provisions of the Addenda and Exhibits attached to this Contract are incorporated into and made a part of this Contract. This Contract constitutes the entire agreement between the parties hereto, and all prior understandings or communications, written or oral, with respect to the subject matter of this Contract, are merged and integrated herein. With respect to the Policy described in Addendum 2 and incorporated herein by reference, any item not explicitly discussed in this document which is discussed in said Addendum or Exhibit shall be controlled by the terms of said Addendum or Exhibit.

34. DEBARMENT CERTIFICATION

By execution of this contract, Cigna certifies that it is eligible to receive contract awards using federally appropriated funds and that it has not been suspended or debarred from entering into contracts with any federal agency. If, during the term of this contract, Cigna shall become ineligible to receive contract awards using federal funds, this contract may be terminated for cause forthwith or at such future date as Employer may specify and Cigna shall not be entitled to payment

for any coverage performed under this contract or sub-contract after the effective date of such termination.

35. FALSE CLAIMS

Cigna warrants that it shall not, with respect to this Agreement, make or present any claim upon or against Employer, knowing such claim to be false, fictitious or fraudulent. Cigna acknowledges that making such a false, fictitious, or fraudulent claim is an offense under Virgin Islands law.

36. SEVERABILITY

If any term or condition of this Contract or the application thereof to any person(s) or circumstances is held invalid, such invalidity shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition, or application.

37. HEADINGS NOT CONTROLLING

Section headings in this Contract are for convenience only and shall have no binding force or effect and shall not enter into the interpretation of the Contract.

38. COUNTERPARTS AND FACSIMILE

ADDENDUM 1

TRADITIONAL FUNDING ARRANGEMENT

Article I. Funding Arrangement

During the twelve (12) month term of this contract, the Government Plan shall be operated under a "Traditional Funding Experience Rated and Participating Contract." Under this arrangement, the Government and applicable Employer Entity pays all premiums directly to Cigna. Cigna is then responsible for paying all claims and expenses incurred while the underlying insurance policy (the "Policy") is in effect. This plan is a traditionally funded fully insured participating group health insurance plan. That is, once the required premium is paid in full, the policyholder has no additional liability. Cigna collects the money to pay claims, fund reserves, and cover expenses. Cigna maintains sufficient funds to pay claims that are presented for payment after the policy terminates for covered benefits that were provided prior to termination but that are adjudicated and paid after the policy terminates. These funds are sometimes referred to as claim reserves and such funds are the sole and exclusive property of Cigna earmarked by Cigna to pay claims after the policy terminates. In determining the Premium required to fund the cost of providing benefits under the plan (i.e., claim payments, changes in reserve liability, premium taxes, claim handling and any administrative Expenses and Interest), Cigna takes into account the interest that it expects to earn on claim reserves and reduces the Premium in recognition of that interest income.

The Policy is an experience rated policy. Experience-rating is the process by which rates for a policy period (i.e., a policy year) are prospectively established by use of a retrospective review of the prior policy period's history or experience. Put another way, Cigna's underwriters will review the experience over the past policy period / policy year. Using that experience as a benchmark, the underwriter will establish rates for the upcoming policy period. Because the Policy is experience rated, all Cigna experience-rated coverage under the Policy will be deemed to be one experience-rated program.

The policy is also a participating policy. The policy provides that "As of any Anniversary Date after the policy has been in force for 12 months, the Insurance Company may grant a credit in such amount as it may determine in accordance with Cigna's standard actuarial underwriting policies and procedures, based on experience. The experience under this policy may be combined with the experience under other contracts issued by the Insurance Company or its affiliates and covering the policyholder or its employees."

A credit will be granted if the experience produces a Margin. Any credit granted will be offset with prior Deficit(s), if any. The pooled and access fee portion of premium will not be used to determine the year-end Margin or Deficit. Deficits for any one line of experience rated participating coverage may be offset by Margins in that line or in any other line of experience-rated participating coverage, if any.

Article II. Definitions

"Benefit Program" is the program of medical benefits found at Addendum 2 of the Agreement.

"Covered Services" are those services or supplies specified in the Benefit Program for which benefits will be provided.

"Deficits," means the excess of non-pooled claim payments, changes in reserve liability, Expenses and Interest over non-pooled premium. Deficits incurred will carry forward from one policy year to another until such Deficit is paid, in full or is offset by a later years' Margin.

"Employer Entity" means the Government or, as applicable, the Authority, UVI, the Housing Authority, FHC or Non-Profit Organizations defined by the Government as eligible to participate under this Agreement.

"Expenses" means all non-medical claim costs (exclusive of Interest), including but not limited to claim handling costs, general administrative costs, travel costs necessary to administer the program, on-site representatives, nurse coaches and related costs, risk charges, network access fees, legal and regulatory expenses, including any and all premium taxes and other expenses incurred by Cigna to administer the program.

"Grace Period" means the period of 31 days after the Premium Due Date granted for the payment of each premium, during which time the Policy will stay in effect.

"Margins" means any excess of non-pooled premium over non-pooled claim payments, changes in reserve liability, Expenses and Interest.

"Premium Due Date" means the first day of the month for which premium is due.

"Run-Off" means any claim incurred under the insured policy issued by Cigna, which claim was incurred, but not processed, prior to termination of this Agreement. All such Run-Offs shall be the obligation of Cigna.

"Run-Off Period" means the 12 (twelve) month period following termination of the Agreement during which Run-Off claims must be filed with Cigna in order to be processed.

"Hospital Confinement upon Termination of this Agreement". With respect to any Subscriber hospitalized on the date on which this Agreement terminates, Cigna will be responsible for any claims (eligible for payment under the Policy) incurred by such Subscriber through the date of this Agreement's termination. Cigna shall also be responsible for payment of any claims (eligible for payment under the Policy) incurred by the Subscriber through the earliest of the following dates: (1) the date on which the hospitalization confinement (for the condition resulting in confinement as of the date of termination of this Agreement) ends; or (2) the date on which the Subscriber is eligible for other insurance coverage; or (3) the date set forth in applicable "Discontinuance and Replacement" laws.

"Interest" means credits/debits based on Cash Flow and Funds. These credit/debits are calculated as part of the annual accounting process. Cash Flow Interest Rates are established on a calendar year basis, and because the experience rated contract is on a fiscal year basis ending 9/30 each year, interest credits/debits will be based on melding the interest rates appropriate to the calendar years within the policy year.

"Late Payment Interest" means interest debited against the policy settlement, and included in the renewal buildup as a separate line item due to its materiality, calculated for the contract year and the basis of which is the weighted average delay in premium payments times the relevant late payment interest rate. Since the policy period overlaps calendar years, multiple interest rates will be applied. The formula is as follows: $(\text{Weighted Average Delay} - 30) / 365 \times \text{Policy Premium} \times \text{Late Payment Interest Rate}$

"Subscriber" means an eligible employee or an employee's dependent, a pre-65 retiree or dependent of a pre-65 retiree, or an under 65 dependent of a retiree 65 and over whose coverage under the Government Plan has become effective.

"Subscriber's Share" means the amount of deductible, coinsurance, copayment, and other liabilities required to be paid by the Subscriber under the Benefit Program. Subscriber's Share does not mean an amount payable by the Subscriber as a result of balance billing by a provider of services or supplies. If after Subscriber's Share is paid, an adjustment is made to the amount payable, paid, or charged for a particular service or supply, Subscriber's Share will not reflect the adjustment.

Article III. Obligations of Cigna

- A. Cigna will review, evaluate, adjudicate, process, and determine whether benefits are due, and pay or not pay claims for benefits under the Benefit Program that are related to services and supplies provided during the term of the Agreement.
- B. Cigna will furnish identification cards to all Subscribers. Replacement cards shall be made available to Subscribers upon request. Also available on www.mycigna.com
- C. Cigna will provide the Employer the claims reports of the types and with the frequencies set forth in the Agreement. Cigna may adjust all such information provided to the Employer to prevent the disclosure of the identity of any Subscriber or other patient who is the subject of the information.
- D. As provided in the Agreement, Cigna will prepare a booklet summarizing the benefits available to Subscribers under the Benefit Program, including a Summary of Benefits and Coverage that meets the requirements of PPACA.
- E. The obligations of Cigna set forth in this Addendum which are performable outside of Cigna's geographic service area may be subcontracted to another provider that is located in or authorized to perform the obligations in the relevant geographic service area.
- F. Cigna may seek recovery of payments made to ineligible persons or to providers for services rendered to ineligible persons.
- G. Cigna will maintain current individual benefit records on all Subscribers.

Article III.A. Obligations of the Employer

- A. The Employer or applicable Employer Entity shall pay premiums to Cigna in accordance with this agreement. The amount to be paid is set out in Exhibit A to this addendum. The Employer Entity will send to Cigna a copy of the ACH premium transfer document when payment is made.
- B. The documents comprising the Benefit Program are identified in Addendum 2 and incorporated by reference. The Employer will notify Cigna in writing of any changes the Employer desires to be made to the Benefit Program at least 60 days prior to the proposed effective date of the changes. Such changes must be agreed to by Cigna before they become effective. There may be an additional charge for such changes and such changes are subject to Cigna's underwriting practices and guidelines.

C. The Employer or applicable Employer Entity will provide to Cigna a complete and current listing of all Subscribers under the Benefit Program, in a form and medium agreed to by the parties. The Employer or applicable Employer Entity will also provide notice, in a form and medium agreed to by the parties, in advance of any additions to or subtractions from the listing by forwarding electronic eligibility data to Cigna for the affected individual that includes the nature of the change and the effective date of the change. Cigna will rely on the listing and changes to the listing. The Employer or applicable Employer Entity agrees that this listing may be subject to audit and verification by Cigna. Audits may be performed during business hours after at least seven (7) days' notice.

In addition, the parties will establish a documented electronic eligibility process, with "default logic" as a safeguard against occasional errors in communicating changes in eligibility in the manner described in the preceding paragraphs. This default cancel process shall not be effective until reduced to a written protocol signed by Employer and Cigna. The default cancel process may be terminated by Cigna if Cigna determines that too many exceptions are occurring. Employer acknowledges that default cancel creates an assumed termination that will generally be a date later than the termination date reflected in Employer's eligibility system. In the event of terminations due to default cancel logic, the assumed termination date shall be used to process claims and for the payment of premium including the determination of any premium credits. Cigna shall provide the Employer with the following reports separated by entity and participant class:

- a. Report of enrollment totals (monthly)
- b. Report of mismatched records (monthly)

Any requests to Cigna to reinstate eligibility for a person terminated by the Employer in error shall be in writing, shall identify the cause of the error (to allow root cause analysis by the Employer and Cigna), and shall be signed by the Chief of Group Health Insurance of the Government of the Virgin Islands or its designee.

D. The Employer will distribute forms for enrollment in the Benefit Program, which have been agreed to by the parties, to those members who are eligible for coverage under the Benefit Program. The Employer will forward to Cigna, in a medium agreed to in advance by the parties, completed forms. Clerical errors or delays in recording or reporting dates will not:

- invalidate coverage which would otherwise be in force; and
- continue coverage which would otherwise terminate.

Upon discovery of errors or delays, an equitable adjustment of charges and benefits will be made consistent with Cigna's then current enrollment and underwriting policies. The Employer and Cigna acknowledge that the written consent of Subscribers may be required by statute before the release of confidential medical information necessary to substantiate the payment of fees for health care services or supplies provided to Subscribers or otherwise necessary to Cigna's performance of obligations under this Agreement. The Employer agrees to obtain and maintain these consents on file. The Employer will produce these consents upon request by Cigna, or its designees, and permit Cigna or its designees to audit these consents upon 48 hours' notice. The Employer and Cigna recognize that failure to produce such consents could result in harm to Cigna. Accordingly, it is hereby agreed and understood that, absent provision by Employer to Cigna of the consents referenced herein, Cigna shall have no obligation to provide the Employer with any patient-identifiable information. Employer agrees, to the extent permitted by law, to indemnify Cigna and hold it harmless for any damages, expenses, or liabilities, which may accrue due to a failure on the part of Employer to fulfill its obligations under this provision.

Article IV. Payment Terms

A. Payment by each Employer Entity.

1. Cigna shall, on a monthly basis during the term of the Contract, bill each Employer Entity for payment of premiums. Each Employer Entity shall pay such premium by the end of the month following the end of the Grace Period. Before then, the Policy may not be terminated for nonpayment.
2. If the Employer or any applicable Employer Entity fails to pay any premium by the end of the month following the end of the Grace Period for payment of the premium, Cigna may terminate the Contract and the coverage under the Policy with respect to such Employer or applicable Employer Entity for non-payment as of the end of the Grace Period.
3. All outstanding premiums shall be paid "as billed" by Cigna both as to past invoices and to all future invoices. As to the past (except as provided herein) or the future,

premium credits for persons who are not eligible will be limited to a retrospective period of not more than 60 days before the date that Cigna is notified of the loss of eligibility plus three business days. Such credits will be reflected on monthly statements prepared by Cigna.

Article V. Confidential Information

A. During and after the term of this Agreement, Employer will not release and will protect all Confidential Information that it receives or becomes aware of pursuant to or in the course of the performance of the obligations of this Agreement except pursuant to:

- (1) Virgin Islands or federal law;
- (2) court order;
- (3) this Agreement;
- (4) another agreement between the parties specifically regarding the subject matter of this Paragraph; and
- (5) as necessary to establish and maintain the Benefit Program.

B. As used in this Article. "Confidential Information" includes, but is not limited to, the business practices, strategies, know-how, procedures, methods, methodologies, provider relationships and systems used by Cigna in administering the Benefit Program. "Confidential Information" shall also include all information, in whatever form or medium, that is deemed "confidential" under Virgin Islands or federal law or rules and regulations.

C. During and after the term of this Agreement, Employer will not release and will protect all Confidential Information unless released pursuant to an agreement between the parties or as necessary to establish and maintain the Benefit Program.

D. The obligations of this Article shall survive the termination or expiration of this Article or the Agreement.

E. If Employer releases Confidential Information contrary to the terms of this Article, the Employer will take all steps necessary to assure that the person to whom the Confidential Information is released does not release and does protect the Confidential Information.

F. A breach of the terms of this Article will cause immediate and irreparable harm to Cigna. As such, in addition to any other rights or remedies available at law or in equity, Cigna is entitled

to injunctive relief to restrain or enjoin such breach.

Article VI. Health Information

A. During and after the term of this Agreement, the Employer will not release and will protect all Health Information that it receives or becomes aware of pursuant to or in the course of the performance of the obligations of this Agreement except pursuant to:

- (1) Virgin Islands or federal law;
- (2) court order;
- (3) this Agreement;
- (4) another agreement between the parties specifically regarding the subject matter of this Paragraph; and
- (5) and as necessary to establish and maintain the Benefit Program.

B. "Health Information" means any information that is created or received by a health care provider, the Employer, or Cigna and relates to:

- (1) the past, present, or future physical or mental condition of an individual;
- (2) the provision of health care to an individual; or
- (3) the past, present, or future payment for the provision of health care to an individual.

This definition shall include any additional information which may be defined as Health Information by any Virgin Islands or U.S. laws or regulations.

C. During and after the term of this Agreement, Employer will not release and will protect all Health Information unless released pursuant to applicable Virgin Islands and U.S. laws or regulations. Releases of such information may require the consent of the individual who is the subject of the information and improper releases may be subject to penalty.

D. To the extent permitted by applicable law, Employer will indemnify, hold harmless and release Cigna, its employees, and agents against any and all liabilities, losses,

obligations, risks expenses (including attorneys' fees), costs, damages, and judgments and against any and all claims and actions actually or allegedly based upon, arising out of, or in any way connected with:

- Cigna's disclosure of Health Information to the Employer or any agent of the Employer; or
- disclosure or use of Health Information by the Employer or agent, regardless of the source of the Health Information.

E. If any applicable law or regulation is enacted, or a decision of a regulatory agency or judicial body is issued which prohibits Cigna from disclosing Health Information, Cigna shall be relieved of its obligations under this Agreement, to the extent required by the law or decision.

F. The obligations of this Article shall survive the termination or expiration of this Article or the Agreement.

Article VII. Liability and Notice of Cause of Action

Employer will promptly notify Cigna of any cause or action brought against the Employer or any agent of the Employer (of which cause or action the Employer has knowledge) for which Cigna may seek indemnification. Employer may not compromise or settle any such cause or action arising under this Contract without the Cigna's concurrence, and the Employer warrants and represents that its agents will do the same. Cigna may in its discretion choose to undertake or take control of the defense of any such cause or action in which it is a named party.

ADDENDUM 4

Forces Majeure or Majesture

The parties agree that Forces Majeure or Majesture such as acts of God or nature, fires, floods, storms, or earthquakes may prevent one or both parties from performing its obligations under the Agreement. Therefore, the parties agree that the following provisions shall apply.

Article I Notice

In the event Forces Majeure or Majesture may prevent performance of one party's obligations, that party shall notify the other party in writing as soon as reasonably possible.

Article II In the Event Cigna Cannot Perform

In the event Cigna, or its subcontractors, cannot perform its obligations due to Forces Majeure or Majesture. Cigna shall make all reasonable efforts to resume performance of such obligations. Such efforts shall include, but not be limited to, the following:

- a. Location of a facility by which claims payment operations would continue within 2 business days of a force majeure event
- b. Resumption of customer service operations within 2 business days of such event. Operations established pursuant to this section should be in place to handle not only ongoing claims issues, but historic claims and customer service issues that may arise due to ongoing service. The following services shall be included in such operations:

Pre-authorizations

Medical Case Management

Coordinated transfer of cases to the US Mainland

PPO Network management

Payment of claims

In addition, Cigna is responsible to retain historic record of claims data in a manner that would protect its integrity in the event of such a force majeure event. Cigna shall have safeguards to protect incoming data —paper or otherwise — in a manner by which no more than one day's claims receipts would be lost.

Article III In the Event the Employer Cannot Perform

a. *Non-financial obligations*

In the event the Employer cannot reasonably perform its "non-financial" obligations due to Forces Majeure or Majesture, the Employer shall make all reasonable efforts to resume performance of such obligations. For the purposes of this Addendum, "non-financial" means obligations other than payment of premium.

b. *Financial Obligations*

In the event the Employer cannot reasonably perform its financial obligations within the time periods allotted in the Agreement (e.g. the "Grace Period") due to Forces Majeure or Majesture events, the Employer shall immediately notify Cigna and shall immediately request a "90 Day Premium Delay." Such notice shall be mailed within 30 days of the occurrence of the Forces Majeure or Majesture.

Article IV 90 Day Premium Delay

Upon receiving a valid request to invoke the 90 Day Premium Delay, Cigna shall suspend any efforts to collect premium from the Employer. The 90 Day Premium Delay shall be considered effective on the day after the last date for which premium was paid.

Example 1: The Employer's premium is fully paid through August 31. On September 15, the Employer makes a valid request for a 90 Day Premium Delay. The Premium Delay is deemed to be effective on September 1, the day after the last day for which premium was paid. The Premium Delay shall extend for 90 days to December 1.

The 90 Day Premium Delay does not relieve the Employer from the obligation to pay for the coverage in effect during the 90 Day Premium Delay.

a. Cigna Obligations

Cigna shall not invoice the Employer for 90 days from the last due date prior to the 90 Day Premium Delay taking effect. Cigna shall continue to perform its obligations under the Agreement as required. When Cigna resumes invoicing the Employer, such invoices shall be done in accordance with the terms of the Agreement, except that such invoices shall be for 100% of the premium owed:

- (i) to the period during which the 90 Day Premium Delay was in effect, and during which premiums were not received;

(ii) then to any period after the 90 Day Premium Delay for which premiums were not collected;

(iii) finally to any current or future period for which premiums are due.

Example 2: The Employer requests a premium delay that takes effect on September 1. Cigna does not invoice the Employer for premiums during September, October, or November. Cigna invoices the Employer for premiums in December, which the Employer pays. The premium received is applied by Cigna to the amount due for the month of September. Premiums received in January will be applied to October, and so on.

Application of new premium payments toward delayed premium payments shall not extend beyond the annual term of the Agreement. Except, however, moneys paid by the Employer in excess of the premiums due in the new contract year will be applied by Cigna to reduce outstanding amounts, including periods for which moneys are owed due to the invocation of a 90 Day Premium Delay.

Example 3: The Employer has invoked a 90-day premium delay and made subsequent payments described in Example 1. On March 31, the Contract Year ends. The Employer pays the monthly premium for April. This amount is NOT applied to the outstanding balance from the previous year. In May, the Employer pays an amount equal to one and a half times the monthly premium invoiced. The amount in excess of the May premium shall be applied by Cigna to the amount outstanding due to the 90-day premium delay.

Any premiums not collected during the annual term of the Agreement shall remain due to Cigna.

b. Agreement Provisions Applicable

Delayed premiums shall be subject to all provisions of the Agreement regarding invoicing, payment, and late charges, if any. Delayed premiums shall be considered late payments and subject to any interest and fees provided for in the Agreement or the addenda.

c. Advanced Payment

Nothing in this provision shall be construed to limit or prevent the Employer from reimbursing Cigna all or some of the moneys owed due to the 90 Day Premium Delay earlier than might be required. Such advanced payments shall diminish any interest charges, late fees, or other penalties, as is appropriate under the terms of the Agreement and the addenda and exhibits thereto.

d. Not to Be Construed as Compromise or Settlement

The application of funds under this Article is in no way to be construed as constituting a compromise and settlement of the full amounts owed under the Agreement.

e. 90 Day Premium Delay Inapplicable

In the event that the Employer properly requests, and Cigna invokes, the 90 Day Premium Delay in accordance with this section, such 90 Day Premium Delay will be revoked if the Employer is determined to be paying other debts and obligations (not due and owing to Cigna) on a timely basis. Upon revocation of such 90 Day Premium Delay pursuant to this subsection (e), all premiums due and owing will be due immediately due and payable, and failure to make such payments will result in termination of the underlying Agreements and policy, subject to the notice requirements set forth therein.

Article V. Continuing Responsibilities

Any delay in performance granted to either party due to Forces Majeure or Majesture do not release either party from the responsibility for fulfilling the delayed obligations required by the Agreement and its addenda, except as may be permitted by the Agreement or its addenda. Failure to perform these obligations may result in either party invoking the termination provisions of the Agreement as may be appropriate.

ADDENDUM 5

LOCAL SERVICE CENTERS IN THE VIRGIN ISLANDS

Article I Days and Hours of Operation

Cigna agrees that it will operate two (2) Service Centers, one on St. Croix and the second on St. Thomas, in the Virgin Islands. **RE: Justification Letter – GESC/Health Insurance Board of Trustees Medical Coverage
effective October 1, 2023**

Dear Governor Bryan:

The Government Employees Service Commission (GESC) Health Insurance Board of Trustees ("Board") acting as the sole body overseeing the operation of the Government employees' health and other benefit plans, has recently completed a Request for Proposals (RFP) for competitive bids as required by statute for insurance services which included Medical and Prescription Drug coverage for active employees and retirees, Employee Assistance Program, Dental, Vision, Life and Accidental Death & Dismemberment (AD&D) plans.

The RFP was released on March 15, 2023, and bids were received through April 24, 2023. Advertisements were released nationally and also in the St. Croix, St. John, and St. Thomas Source publications from March 15 through April 14, 2023.

Through the RFP process, the Board received two (2) responses for medical and prescription drug insurance for both active employees and the under 65 retiree population, two (2) responses for dental insurance, one (1) response for vision insurance, and three (3) responses for life and AD&D insurance.

The RFP evaluations were reviewed at the Board's May meeting and finalist meetings were held in-person at the Board's meeting in June.

Based upon the most recent medical claims experience report through July 2023, the medical claims expenditures are 90% of the medical plans' premiums, exclusive of other plan expenditures such as administrative costs. This has increased from the prior year. Although the losses have increased 4.4% from the prior period, the Board was anticipating a 5-8% increase in premiums to cover future claims and expenses based upon an analysis by our Consultant, Gehring Group.

We received two responses for our medical coverage for active employees and pre-65 retirees. One from Cigna Healthcare (incumbent) and one from UnitedHealthcare. Cigna's initial response was a no increase in premiums and no changes to the current benefits. UnitedHealthcare proposed a 2% increase in premiums while matching the existing benefits. Subsequently, Cigna offered a premium rate cap for year 2 of the contract not-to-exceed 8% while United provided a not-to-exceed of 12%.

After finalist presentations the Board voted unanimously to begin contract negotiations with Cigna Healthcare.

Since the premiums will remain the same for the upcoming fiscal year the overall impact to the Central Government will be approximately \$107 million based upon the existing cost-share with employees and retirees.

It was vital to the Board that there were no plan design changes (i.e., increasing copayments, deductibles, out-of-pocket maximums) due to the current state of the economy and Cigna agreed to not change any of the benefits, nor did they decrease the level of services that are offered with the current plan.

In addition to the above financial implications, Cigna will continue to include and enhance the following in their contract with the Board:

- Support the USVI community by providing six (6) two-year nursing scholarships to the University of the Virgin Islands in the amount of \$6,250 per student per year and providing \$375,000 in grants to non-profit agencies;
- Provide a Wellness Funds of \$1,000,000 (currently \$700,000);
- Continuation of the two (2) full time on-site Customer Service Representatives;
- Inclusion of MotivateMe, a turnkey wellness incentive program that gives employees and their spouses opportunities to earn rewards for taking charge of and improving their health while funding \$300,000 in incentives;
- Continuation of Omada's Pre-Diabetes Prevention Program;
- Continuation of the 2 Health Improvement Offices with two (2) health coaches and two (2) mobile vans;
- Placing \$1.7 in premiums at risk for performance guarantees; and
- The Cigna Foundation will be offering \$250,000 in grants over the next three years to non-profits in the Territory helping those living with obesity, high blood pressure, diabetes, and other chronic conditions with the goal of improving their overall health.

The Board believes it was able to negotiate the overall lowest cost for both the Government, and its employees and retirees, all while maintaining a viable benefit offering.

Sincerely,

A handwritten signature in black ink, appearing to read "Bey Ber", with a large, stylized loop at the end.

Additional Information

Maximum Reimbursable Charge

The allowable covered expense for non-network services is based on the lesser of the health care professional's normal charge for a similar service or a percentage of a fee schedule (150%) developed by Cigna that is based on a methodology similar to one used by Medicare to determine the allowable fee for the same or similar service in a geographic area. In some cases, the Medicare based fee schedule will not be used and the maximum reimbursable charge for covered services is based on the lesser of the health care professional's normal charge for a similar service or a percentile (80th) of charges made by health care professionals of such service or supply in the geographic area where it is received. If sufficient charge data is unavailable in the database for that geographic area to determine the Maximum Reimbursable Charge, then data in the database for similar services may be used. Out-of-network services are subject to a Calendar Year deductible and maximum reimbursable charge limitations.

Out-of-Network Emergency Services Charges

1. Emergency Services are covered at the In-Network cost-sharing level as required by applicable state or federal law if services are received from a non-participating (Out-of-Network) provider.
2. The allowable amount used to determine the Plan's benefit payment for covered Emergency Services rendered in an Out-of-Network Hospital, or by an Out-of-Network provider in an In-Network Hospital, is the amount agreed to by the Out-of-Network provider and Cigna, or as required by applicable state or federal law.

The member is responsible for applicable In-Network cost-sharing amounts (any deductible, copay or coinsurance). The member is not responsible for any charges that may be made in excess of the allowable amount. If the Out-of-Network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

Medicare Coordination

In accordance with the Social Security Act of 1965, this plan will pay as the Secondary plan to Medicare Part A and B as follows:

- (a) a former Employee such as a retiree, a former Disabled Employee, a former Employee's Dependent, or an Employee's Domestic Partner who is also eligible for Medicare and whose insurance is continued for any reason as provided in this plan (including COBRA continuation);
- (b) an Employee, a former Employee, an Employee's Dependent, or former Employee's Dependent, who is eligible for Medicare due to End Stage Renal Disease after that person has been eligible for Medicare for 30 months.

When a person is eligible for Medicare A and B as described above, this plan will pay as the Secondary Plan to Medicare Part A and B **regardless if the person is actually enrolled in Medicare Part A and/or Part B and regardless if the person seeks care at a Medicare Provider or not for Medicare covered services.**

Multiple Surgical Reduction

Multiple surgeries performed during one operating session result in payment reduction of 50% to the surgery of lesser charge. The most expensive procedure is paid as any other surgery.

One Guide

Available by phone or through myCigna mobile application. One Guide helps you navigate the health care system and make the most of your health benefits and programs.

Definitions

Coinsurance - After you've reached your deductible, you and your plan share some of your medical costs. The portion of covered expenses you are responsible for is called Coinsurance.

Copay - A flat fee you pay for certain covered services such as doctor's visits or prescriptions.

Deductible - A flat dollar amount you must pay out of your own pocket before your plan begins to pay for covered services.

Out-of-Pocket Maximum - Specific limits for the total amount you will pay out of your own pocket before your plan coinsurance percentage no longer applies. Once you meet these maximums, your plan then pays 100 percent of the "Maximum Reimbursable Charges" or negotiated fees for covered services.

Place of Service - Your plan pays based on where you receive services. For example, for hospital stays, your coverage is paid at the inpatient level.

Prescription Drug List - The list of prescription brand and generic drugs covered by your pharmacy plan.

Professional Services - Services performed by Surgeons, Assistant Surgeons, Hospital Based Physicians, Radiologists, Pathologists and Anesthesiologists

Transition of Care - Provides in-network health coverage to new customers when the customer's doctor is not part of the Cigna network and there are approved clinical reasons why the customer should continue to see the same doctor.

Exclusions

What's Not Covered (not all-inclusive):

Your plan provides for most medically necessary services. The complete list of exclusions is provided in your Certificate or Summary Plan Description. To the extent there may be differences, the terms of the Certificate or Summary Plan Description control. Examples of things your plan does not cover, unless required by law or covered under the pharmacy benefit, include (but aren't limited to):

- Care for military service disabilities treatable through governmental services if you are legally entitled to such treatment and facilities are reasonably available.
- Treatment of an Injury or Sickness which is due to war, declared, or undeclared.
- Charges which you are not obligated to pay or for which you are not billed or for which you would not have been billed except that they were covered under this plan. For example, if Cigna determines that a provider or Pharmacy is or has waived, reduced, or forgiven any portion of its charges and/or any portion of Copayment, Deductible, and/or Coinsurance amount(s) you are required to pay for a Covered Expense (as shown on The Schedule) without Cigna's express consent, then Cigna in its sole discretion shall have the right to deny the payment of benefits in connection with the Covered Expense, or reduce the benefits in proportion to the amount of the Copayment, Deductible, and/or Coinsurance amounts waived, forgiven or reduced, regardless of whether the provider or Pharmacy represents that you remain responsible for any amounts that your plan does not cover. In the exercise of that discretion, Cigna shall have the right to require you to provide proof sufficient to Cigna that you have made your required cost share payment(s) prior to the payment of any benefits by Cigna. This exclusion includes, but is not limited to, charges of a non-Participating Provider who has agreed to charge you or charged you at an in-network benefits level or some other benefits level not otherwise applicable to the services received.
- Charges arising out of or relating to any violation of a healthcare-related state or federal law or which themselves are a violation of a healthcare-related state or federal law.
- Assistance in the activities of daily living, including but not limited to eating, bathing, dressing or other Custodial Services or self-care activities, homemaker services and services primarily for rest, domiciliary or convalescent care.
- For or in connection with experimental, investigational or unproven services.

 - o Not approved by the U.S. Food and Drug Administration (FDA) or other appropriate regulatory agency to be lawfully marketed;

**RE: Justification Letter - GES/Health Insurance Board of Trustees CIGNA Medical and
Dental Renewal effective October 1, 2025, Second Renewal**

Dear Governor Bryan:

The Government Employees Service Commission (GES) Health Insurance Board of Trustees ("Board") acting as the sole body overseeing the operation of the Government employees' health and other benefit plans, has recently secured our second renewal with CIGNA Healthcare after completing a Request for Proposals (RFP) for competitive bids as required by statute for insurance services in 2023 which included Medical and Prescription Drug coverage for active employees and retirees, Employee Assistance Program, Dental, Vision, Life and Accidental Death & Dismemberment (AD&D) plans.

This letter will summarize the CIGNA medical (active employees and non-Medicare retirees) and dental renewals. Both the Vision insurance and Life and Accidental Death & Dismemberment plans are in a pricing guarantee for the upcoming fiscal year.

Based upon the most recent medical claims experience report through July 2025, the medical claims expenditures are 113% of the medical plans' premiums, exclusive of other plan expenditures such as administrative costs. Claims costs per employee per month have increased 18.4% over the past year while enrollment has decreased 1.3%. With losses such as our plan is experiencing, it would be anticipated of have an increase in excess of +30%.

Using Cigna's standard underwriting formula, the initial increased resulted in a 31% increase. Accordingly, the Board through its Consultant, Gehring Group requested that Cigna use the underwriting formula that they have historically used which generated a 24% increase. Subsequently through negotiations, the Board was able to negotiate the overall increase to a 17.5% increase; however, in order to achieve the savings, this would require the prescription drug plan to

add prescription drug utilization management for certain medications as well as the elimination or exclusion of weight management medications.

In June, the Board tasked its Consultant with developing a plan that would provide a single digit increase. At our July Board meeting the Gehring Group presented a high deductible health plan with a Health Reimbursement Account to help offset the increased deductibles. This plan yielded an overall 9% increase and will be known now as Option 4. Individual deductibles would have increased \$1,000 per person and family deductibles would have increased \$2,000 per family. In addition, the primary care copayment would have increased to \$30, and a specialist copayment would increase to \$60. In addition, name-brand prescription drugs would have been subject to the deductible prior to any copayments being applicable. The Board voted to move forward with the plan changes to provide a savings in premium to both the Central Government and to the employee's payroll deductions. Based upon the proposed premiums, the overall medical increase to the Central Government would be approximately \$10.4 million for a total of \$146.3 million.

The Board along with the Department of Personnel presented Option 4 to employees and retirees at the open enrollment meetings in August. Employees and retirees both expressed concerns for the increased out of pocket costs and their ability to afford to their own health care. After hearing these concerns, the Board requested the Department of Personnel to do a survey to see whether employees wanted to keep what they have with a higher payroll deduction or to move forward with Option 4. Overwhelmingly, 91% of employees wanted to keep their existing plan versus 5% wanting to move forward with Option 4 while 3% did not want either option.

The Board's ongoing negotiations with Cigna has resulted in a best and final offer of maintaining the existing plan at a 17.5% increase with the addition of adding prescription drug utilization management on certain prescriptions while maintaining the coverage for weight loss medication. Cigna expects that this program will save an estimated 2.5%-3% annual savings as prescriptions will be reviewed for safety and lower-cost options. The prescription drug utilization management will help ensure appropriate dosing and safe use; mitigates drug waste/stockpiling; ensures drug is being taken according to medical necessity, FDA approved indications and off-label use; reduction of waste, error, and unnecessary drug use; and promotes use of clinically effective, lower-cost drug before higher-cost option would be considered. This is the only change to the plan as all deductibles, copayments, and out-of-pocket maximums would remain the same. Based upon the proposed premiums, the overall medical increase to the Central Government will be approximately \$20.2 million for a total of \$156 million.

The above dollar amount includes a 3% increase in dental premiums. The premium contractually capped annually throughout the term of the contract. Dental claims expenditures are 101% of the dental plans' premiums, exclusive of other plan expenditures such as administrative costs. Claims costs per employee per month have increased 11.3% over the past year and thus a 3% increase in premiums is justifiable.

In addition to the above financial implications, Cigna will continue to include and enhance the following in their contract with the Board:

- Support the USVI community by providing six (6) two-year nursing scholarships to the University of the Virgin Islands in the amount of \$6,250 per student per year and providing \$375,000 in grants to non-profit agencies.
- Provide a Wellness Fund of \$1,000,000.
- Continuation of the two (2) full time on-site Customer Service Representatives.
- Inclusion of MotivateMe, a turnkey wellness incentive program that gives employees and their spouses opportunities to earn rewards for taking charge of and improving their health while funding \$300,000 in incentives.
- Continuation of Omada's Pre-Diabetes Prevention Program.
- Continuation of the 2 Health Improvement Offices with two (2) health coaches and two (2) mobile vans; and
- Placing \$1.7 in premiums at risk for performance guarantees.

The Board believes it was able to obtain the overall lowest cost for both the Government, and its employees and retirees, while maintaining a viable benefit offering.

Sincerely,

Beverly A. Joseph

Receiving regular dental care can not only catch minor problems before they become major and expensive to treat - it may even help improve your overall health. Gum disease is increasingly being linked to complications for pre-term birth, heart disease, stroke, diabetes, osteoporosis and other health issues. That's why this dental plan includes **Cigna Dental WellnessPlusSM** features. When you or your family members receive any preventive care service in one plan year, the annual dollar maximum will increase in the following plan year. When you or your family members remain enrolled in the plan and continue to receive preventive care, the annual dollar maximum will increase in the following plan year, until it reaches the level specified below. Please refer to your plan materials for additional information on this plan feature. **Your plan allows you to see any licensed dentist, but using an in-network dentist may minimize your out-of-pocket expenses.**

**RE: Justification Letter – GESC/Health Insurance Board of Trustees CIGNA Medical and
Dental Renewal effective October 1, 2024, First Renewal**

Dear Governor Bryan:

The Government Employees Service Commission (GESC) Health Insurance Board of Trustees ("Board") acting as the sole body overseeing the operation of the Government employees' health and other benefit plans, has recently secured our first renewal with CIGNA Healthcare after completing a Request for Proposals (RFP) for competitive bids as required by statute for insurance services last year which included Medical and Prescription Drug coverage for active employees and retirees, Employee Assistance Program, Dental, Vision, Life and Accidental Death & Dismemberment (AD&D) plans.

This letter will summarize the CIGNA medical (active employees and Non-Medicare retirees) and dental renewals. Both the Vision insurance and Life and Accidental Death & Dismemberment plans are in a pricing guarantee for the upcoming fiscal year.

Based upon the most recent medical claims experience report through June 2021, the medical claims expenditures are 99% of the medical plans' premiums, exclusive of other plan expenditures such as administrative costs. With losses such as our plan is experiencing, it would be anticipated of have an increase in excess of +25%. However, as stewards of the Government employees' health plan, the Board negotiated a premium cap of +8% for medical coverage and +3% for dental coverage for this upcoming fiscal year no matter how the claims were performing so as to not negatively impact the Government, and its employees and retirees.

According to the Cigna underwriting formula that they have historically used the initial renewal would have been an 18% increase; however, as mentioned prior we negotiated rate caps last year and Cigna is honoring the rate caps with an overall 8% increase for medical coverage and a 3% increase for the

dental coverage. Due to both plans not performing well, they are indicating that they cannot provide any further rate relief without changing our plans and/or reducing the services they provide. Based upon the proposed premiums, the overall medical increase to the Central Government will be approximately \$13.6 million for total of \$187.6 million.

Since there was a substantial increase in premiums, it was vital to the Board that there were no plan design changes (i.e. increasing copayments, deductibles, out-of-pocket maximums). CIGNA agreed to not change any of the benefits, nor did they decrease the level of services that are offered with the current plan.

In addition to the above financial implications, Cigna will continue to include and enhance the following in their contract with the Board:

- Support the USVI community by providing six (6) two-year nursing scholarships to the University of the Virgin Islands in the amount of \$6,250 per student per year and providing \$375,000 in grants to non-profit agencies;
- Provide a Wellness Fund of \$1,000,000;
- Continuation of the two (2) full time on-site Customer Service Representatives;
- Inclusion of MotivateMe, a turnkey wellness incentive program that gives employees and their spouses opportunities to earn rewards for taking charge of and improving their health while funding \$300,000 in incentives;
- Continuation of Omada's Pre-Diabetes Prevention Program;
- Continuation of the 2 Health Improvement Offices with two (2) health coaches and two (2) mobile vans;
- Placing \$1.7 in premiums at risk for performance guarantees; and
- The Cigna Foundation will be offering \$250,000 in grants over the next two years to non-profits in the Territory helping those living with obesity, high blood pressure, diabetes, and other chronic conditions with the goal of improving their overall health.

The Board believes it was able to obtain the overall lowest cost for both the Government, and its employees and retirees, while maintaining a viable benefit offering.

Sincerely,

Beverly A. Joseph

Dear Governor Bryan:

Transmitted herewith for your approval is the Agreement for Group Dental Insurance ("Dental Agreement") by and between the Government of the Virgin Islands, through the GESC/Health Insurance Board of Trustees ("Board") ("Government"), and the Virgin Islands Port Authority (the "Authority"), the University of the Virgin Islands ("UVI"), the Virgin Islands Housing Authority (the "Housing Authority"), Non-Profit Organizations defined as eligible by the Government, and Frederiksted Health Care, Inc. ("FHC") (the Government, the Authority, UVI, East End Medical, the Housing Authority, Non-Profit Organizations, and FHC hereinafter individually referred to as, each, "Employer Entity" and collectively referred to as the "Employer") and Cigna Health and Life Insurance Company (hereinafter "Cigna"). According to the terms of the Dental Agreement, Cigna will provide group dental insurance coverage to active government employees, retirees, and their dependents for a term commencing October 1, 2023, and ending September 30, 2024. of the medical and dental plans for 2022-2023 in a letter dated August 23, 2023 ("Board Letter"), and it is attached for your review.

Under the Virgin Islands Code Title 3 V.I.C. §633, the Board must issue a Request for Proposal from companies interested in providing group medical insurance coverage for its employees at least once every five years. According to the Board Letter, the Board completed a Request for Proposals (RFP) for competitive bids as required by statute for insurance services, which included Medical and Prescription Drug coverage for active employees and retirees, Employee Assistance Program, Dental, Vision, Life, and Accidental Death & Dismemberment (AD&D) plans. The RFP was released on March 15, 2023, and bids were received through April 24, 2023. Advertisements were released nationally and in the St. Croix, St. John, and St. Thomas Source publications from March 15 through April 14, 2023.

Through the RFP process, the Board received two (2) responses for dental coverage covering all active employees and pre- and post-65 retirees - One from Cigna Healthcare (incumbent) and one from MetLife. The RFP evaluations were reviewed at the Board's May meeting, and finalist meetings were held in person at the Board's meeting in June. Based upon the most recent medical claims experience report through July 2023, dental claims expenditures are 96% of the medical plans' premiums, exclusive of other plan expenditures such as administrative costs. The losses have increased 14% from the prior period, so the Board was anticipating a 10-15% increase in premiums to cover future claims and expenses based upon an analysis by our Consultant, Gehring Group.

The Board Letter further explains that Cigna's initial response was no increase in premiums while providing a premium rate cap of 3% for year two. In addition, Cigna proposed increasing our annual maximum from \$1,250 to \$1,500 per year. MetLife proposed a 5% increase in premiums while matching the existing benefits with a two-year rate guarantee.

After finalist presentations, the Board voted unanimously to begin contract negotiations with Cigna Healthcare. Since the premiums will remain the same for the upcoming fiscal year, the overall impact on the Central Government will be approximately \$4.02 million based on the existing cost-sharing with employees and retirees.

In addition to the above financial implications, the Board was able to negotiate enhancements to the dental plan assuming we renew our medical coverage with Cigna:

- Introducing the Dental Wellness Plus Program.
 - When a participant receives preventive care under the dental plan (cleanings/oral exams/x-rays), their annual dollar maximum increases the next plan year.
 - Participants could add \$200 per year.
 - The Wellness Plus Calendar Year Program is as follows:
 - Year 1 - \$1,550 Annual Maximum.

- Year 2 - \$1,750 Annual Maximum
- Year 3 - \$1,950 Annual Maximum
- Year 4 - \$2,150 Annual Maximum
- There will be premium rate caps not to exceed 3% of current premiums for years two and three of this Contract and additional rate caps not to exceed 6% of the previous year's premiums for years four and five of the Contract and
- Placing \$100,000 in premiums at risk for performance guarantees.

Performance Commitments and Penalty Amounts

In connection with the services Cigna will provide to the Employer with respect to the Plan, Cigna guarantees its performance. A listing of all performance commitments and their associated penalties is attached hereto and made a part hereof at Addendum 3.

That number is stated in Addendum 3. In the event that the actual number of employees enrolled on the Effective Date is greater than one-hundred and fifteen percent (115%) of the projected number, the Employer reserves the right to increase the penalty amounts in proportion to the variation between the actual and projected number of enrolled employees. Correspondingly, Cigna reserves the right to decrease the penalty amounts in proportion to the variation between the actual and projected number of enrolled employees in the event that the actual number of employees enrolled on the Effective Date is less than eighty-five (85%) of the projected number.

5. The total amount payable by Cigna during the Term for failure to meet the performance commitments set forth in this Agreement shall not exceed the sum of the penalties associated with each performance commitment.

Cigna reserves the right to replace or modify any performance commitment if necessitated by a change in circumstances that would cause the performance commitment to be an inaccurate or unfair method of measuring Cigna's performance. In such event, the performance commitment will be modified to the degree necessary to carry out the intent of the parties.

Cigna shall be entitled to set off any amount owed by Cigna to the Employer under this Agreement against any debt owed by the Employer to Cigna, whether now existing or hereafter arising.

Notwithstanding any other Force Majeure clauses in this Agreement, Cigna shall not be liable for any failure to meet any of the obligations specified or required under this Agreement where such failure to perform is due to any contingency beyond the reasonable control of Cigna, its employees, officers, or directors. Such contingencies include, but are not limited to, acts or omissions of any person or entity not employed or reasonably controlled by Cigna, its employees, officers, or directors, acts of God, fires, wars, accidents, labor disputes or shortages, and governmental laws, ordinances, rules or regulations, whether valid or invalid.

The provisions of this Article and Addendum 3 to this Agreement with respect to Performance Guarantees shall terminate upon the earliest of the following dates:

ARTICLE XIII. LIABILITY OF OTHERS

ARTICLE XIV. ASSIGNMENT

A. Assignment. Cigna shall not assign any rights under this Contract without the prior written approval of Employer.

B. Delegation. Nothing set forth herein, however, shall preclude Cigna from assigning or subcontracting to its subsidiaries and affiliates any of its obligations due and owing to the Employer. Moreover, nothing herein shall preclude Cigna from assigning or subcontracting any obligations to any entity currently performing services for Cigna. Any such subcontracting or assignment shall not relieve Cigna of the ultimate responsibility for the performance of the Agreement.

C. The Employer shall not assign any part of the services under this contract to any instrumentalities or agencies not specifically named in this document without the prior written approval of Cigna, which approval shall not be unreasonably withheld.

ARTICLE XV. INDEMNIFICATION

Cigna agrees to indemnify, defend and hold harmless the Employer from and against any and all loss, damage, liability, claims, demands, detriments, cost charges and expenses (including attorney's fees) and causes of action of whatsoever character which the Employer may incur, sustain or be subjected to, arising out of or in any way connected to the services to be performed by Cigna, its affiliates, subcontractors or agents under this contract. Notwithstanding the above, Cigna's duty to indemnify, defend and hold Employer harmless shall not extend to acts or omissions of the Employer, its officers, directors, or employees or to acts or omissions of non-employee participating providers who provide services in any network for Employer's Plan hereunder.

ARTICLE XVI. INDEPENDENT CONTRACTOR

Cigna shall perform this Contract as an independent contractor and nothing herein contained shall be construed to be inconsistent with this relationship or status.

ARTICLE XVII. TERMINATION

A. This Contract may be terminated only as follows:

1. By mutual agreement of the parties.
2. By the Employer in the event of a material breach of the Contract by Cigna. For purposes of the paragraph, a material breach is a violation or nonperformance of a Contract term that is substantial and significant or that may result in a liability to the Employer. The Employer shall give Cigna written notice of its intention to terminate ("Notice of Intent") the Contract pursuant to this Article, which Notice of Intent shall specify the duties and responsibilities that Cigna has failed to perform. Thereupon, Cigna shall have a period of THIRTY (30) DAYS following receipt of said Notice of

Intent to cure such failure or failures or, in the alternative, to provide a Corrective Action Plan to reach such objective. If Cigna cures such failure or failures in conformance with the requirements of the Contract and within said 30-day period, the Notice of Intent shall be deemed rescinded. If, however, Cigna fails to cure such failure or failures within said 30-day period, this Contract shall terminate upon the lapse of the 30-day period, unless the parties shall otherwise agree in writing. In the event of termination under this paragraph, the Employer shall be entitled to compensation for all liabilities resulting from the material breach causing termination.

3. By Cigna in the event of a material breach of the Contract by the Employer. For purposes of the paragraph, a material breach is a violation or nonperformance of a Contract term that is substantial and significant or that may give rise to a cause of action against the Employer by Cigna.

Cigna shall give the Employer written notice of its intention to terminate the Contract pursuant to this Article ("Notice of Intent"), which Notice of Intent shall specify the duties and responsibilities that Employer has failed to perform or the reasons that lead Cigna to the conclusion to terminate. Thereupon, Employer shall have a period of THIRTY (30) DAYS following receipt of said Notice of Intent to cure such failure or failures or, in the alternative, to provide a Corrective Action Plan to reach such objective. If Employer cures such failure or failures in conformance with the requirements of the Contract and within said 30-day period, the Notice of Intent shall be deemed rescinded. If, however, Employer fails to cure such failure or failures within said 30-day period, this Contract shall terminate upon the lapse of the 30-day period, unless the parties shall otherwise agree in writing. In the event of termination under this paragraph, the Cigna shall be entitled to premium payments up to and including the date of termination.

4. Termination in the event of non-payment of premium will be governed by Addendum 1 attached hereto.

- B. Notice of termination shall be given a party by certified mail with return receipt requested, addressed to the other party as provided in Article XXV of this Contract, and shall specify with particularity the nature and date of the termination.
- C. In the event of termination of this Agreement, the Employer has the sole responsibility to notify all Subscribers, as defined in Addendum 1 attached hereto, of the termination.
- D. If, in Cigna's discretion, it is in the best interests of Cigna for Cigna to additionally notify some or all Subscribers, as defined in Addendum 1 attached hereto, of termination of this Agreement, Cigna may do so, but in so doing does not lessen or relieve the obligations of the Employer stated in this paragraph. A copy of any notice intended to be sent to all or a significant portion of Subscribers, as defined in Addendum 1 attached hereto, shall be provided in advance of mailing to the Employer. Except that prior notice is not required for notices that may be delivered electronically in response to electronic processing of claims or via phone in response to inquiries.
- E. In the event of termination, the Employer has the sole responsibility to fulfill requirements (if any) of notifying members of any state or federal conversion or continuation of coverage rights or benefits to which members might be entitled. Cigna has no responsibilities, liabilities, or duties related to this notification.
- F. Notwithstanding anything herein to the contrary, in the event this Contract is terminated, Cigna shall continue to process claims incurred while the Contract was in effect so long as such claims are filed within the Run-Off Period, as that term is defined in Addendum 1.

ARTICLE XVIII. GOVERNING LAW

A. This Contract shall be governed by the laws of the United States Virgin Islands and jurisdiction over any matter or dispute with respect to this Contract is exclusive in the courts, both local and federal, sitting in the U.S. Virgin Islands.

B. Cigna covenants that it has familiarized itself with the applicable provisions of Chapter 65 of Title 22, Virgin Islands Code.

ARTICLE XIX. WAIVERS AND AMENDMENTS

No waiver, modification or amendment of any term, condition or provision of this Contract shall be valid or of any force or effect unless made in writing, signed by the parties hereto or their duly authorized representative, and specifying with particularity the nature and extent of such waiver, modification or amendment. Any such waiver, modification or amendment in any instance or instances shall in no event be construed to be a general waiver, modification or amendment of any of the terms, conditions or provisions of this Contract, but the same shall be strictly limited and restricted to the extent and occasion specified in such signed writing or writings.

ARTICLE XX. AUTHORITY

Each party warrants and represents that it is authorized to enter into this Agreement, and agrees to be bound by the terms herein. There are no other representations, covenants or understandings other than those included or incorporated herein by reference. This agreement shall not be amended, changed or modified except if done in writing and fully executed by the parties. In the event of a conflict between the terms and provisions of this agreement and any addendum or exhibits attached to this agreement, the terms and provisions of this agreement shall prevail. With

respect to the Policy and or certificate of insurance attached as an exhibit to Addendum 2, any item not explicitly discussed in this document which is discussed in said exhibit shall be controlled by the terms of said exhibit.

ADDENDUM 1
TRADITIONAL FUNDING ARRANGEMENT

Article I Funding Arrangement

- A. During the twelve (12) month term of this contract, the Government Program shall be operated under a "Traditional Funding Arrangement." Under this arrangement, the Government or applicable Employer Entity pays all premiums directly to Connecticut General Life Insurance Company ("Cigna"). Cigna is then responsible for paying all claims and expenses incurred while the underlying insurance policy (the "Policy") is in effect. A plan that is traditionally funded is considered to be fully insured. That is, once the required premium is paid in full, the policyholder has no additional liability.

Article II Definitions

- "Benefit Program" is the program of dental benefits found at Addendum 2 of the Agreement.
- "Covered Services" are those services or supplies specified in the Benefit Program for which benefits will be provided.
- "Premium Due Date" means the first day of the month for which premium is due.
- "Run-Offs" means any claim incurred under the insured policy issued by Cigna, which claim was incurred, but not processed, prior to termination of this Agreement. All such Run-Offs shall be the obligation of Cigna.
- "Subscriber" means an employee, retiree, or person eligible for coverage or the dependent of an employee, retiree or person eligible for coverage whose coverage under the Benefit Program has become effective.
- "Subscriber's Share" means the amount of deductible, coinsurance, copayment, and other liabilities required to be paid by the Subscriber under the Benefit Program. Subscriber's Share does not mean an amount payable by the Subscriber as a result of balance billing by a provider of services or supplies. If after Subscriber's Share is paid, an adjustment is made to the amount payable, paid, or charged for a particular service or supply, Subscriber's Share will not reflect the adjustment.

Contractor's Initials Y.S.

Article III Obligations of the Employer

- A. The Employer or applicable Employer Entity shall pay premiums to Cigna in accordance with this agreement. The amount to be paid is set out in Exhibit A to this addendum.
- B. The documents comprising the Benefit Program are identified in Addendum 2 and are attached to the Agreement. The Employer will notify Cigna in writing of any changes the Employer desires to be made to the Benefit Program at least 60 days prior to the proposed effective date of the changes.

Such changes must be agreed to by Cigna before they become effective. There may be an additional charge for such changes and such charges are subject to Cigna's underwriting practices and guidelines.

- C. The Employer or applicable Employer Entity will provide to Cigna a complete and current listing of all Subscribers under the Benefit Program, in a form and medium agreed to by the parties. The Employer or applicable Employer Entity will also provide notice, in a form and medium agreed to by the parties, in advance of any additions to or subtractions from the listing by forwarding electronic eligibility data to Cigna for the affected individual that includes the nature of the change and the effective date of the change. Cigna will rely on the listing and changes to the listing. The Employer or applicable Employer Entity agrees that this listing may be subject to audit and verification by Cigna. Audits may be performed during business hours after at least seven (7) days' notice.

In addition, the parties will establish a documented electronic eligibility process, with "default logic" as a safeguard against occasional errors in communicating changes in eligibility in the manner described in the preceding paragraphs. This default cancel process shall not be effective until reduced to a written protocol signed by Employer and Cigna. The default cancel process may be terminated by Cigna if Cigna determines that too many exceptions are occurring. Employer

acknowledges that default cancel creates an assumed termination that will generally be a date later than the termination date reflected in Employer's eligibility system. In the event of terminations due to default cancel logic, the assumed termination date shall be used to process claims and for the payment of premium including the determination of any premium credits.

Cigna shall provide the Employer with the following reports separated by entity and participant class:

- a. Report of enrollment totals (quarterly)
- b. Report of mismatched records (monthly)

Any requests to Cigna to reinstate eligibility for a person terminated by the Employer in error shall be in writing, shall identify the cause of the error (to allow root cause analysis by the Employer and Cigna), and shall be signed by the Chief of Group Health Insurance of the Government of the Virgin Islands or its designee

D. The Employer will distribute forms for enrollment in the Benefit Program, which have been agreed to by the parties, to those members who are eligible for coverage under the Benefit Program. The Employer will forward to Cigna, in a medium agreed to in advance by the parties, completed forms. Clerical errors or delays in recording or reporting dates will not:

- invalidate coverage which would otherwise be in force; and
- continue coverage which would otherwise terminate.

Upon discovery of errors or delays, an equitable adjustment of charges and benefits will be made consistent with Cigna's then current enrollment and underwriting policies.

The Employer and Cigna acknowledge that the written consent of Subscribers may be required by statute before the release of confidential medical information necessary to substantiate the payment of fees for health care services or supplies provided to Subscribers or otherwise necessary to Cigna's performance of obligations under this Agreement. The Employer agrees to obtain and maintain

these consents on file. The Employer will produce these consents upon request by Cigna, or its designees, and permit Cigna or its designees to audit these consents upon 48 hours' notice. The Employer and Cigna recognize that failure to produce such consents could result in harm to Cigna. Accordingly, it is hereby agreed and understood that, absent provision by Employer to Cigna of the consents referenced herein, Cigna shall have no obligation to provide the Employer with any patient-identifiable information. Employer agrees, to the extent permitted by law, to indemnify Cigna and hold it harmless for any damages, expenses, or liabilities, which may accrue due to a failure on the part of Employer to fulfill its obligations under this provision.

Article IV Obligations of Cigna

- A. Cigna will review, evaluate, adjudicate, process, determine whether benefits are due regarding, and pay or not pay claims for benefits under the Benefit Program that are related to services and supplies provided during the term of the Agreement.
- B. Cigna will provide the Employer the claims reports of the types and with the frequencies set for in the Agreement. Cigna may adjust all such information provided to the Employer to prevent the disclosure of the identity of any Subscriber or other patient who is the subject of the information.
- C. As provided in the Agreement, Cigna will prepare a booklet summarizing the benefits available to Subscribers under the Benefit Program.
- D. The obligations of Cigna set forth in this Addendum which are performable outside of Cigna's geographic service area may be subcontracted to another provider that is located in or authorized to perform the obligations in the relevant geographic service area.
- E. Cigna may seek recovery of payments made to ineligible persons or to providers for services rendered to ineligible persons.

- F. Cigna will maintain current individual benefit records on all Subscribers.

Article V Payment Terms

- A. Payment by the Government, the Authority, UVI and applicable Employer Entity.
1. Cigna shall, on a monthly basis during the term of the Contract, bill the Government, the Authority, UVI and applicable Employer Entity for payment of premiums. The Government, the Authority, and UVI and applicable Employer Entity shall pay such premium by the end of the month following the end of the Grace Period. Before then, the Policy may not be terminated for nonpayment.
 2. If any entity fails to pay any premium by the end of the month following the end of the Grace Period for payment of the premium, Cigna may terminate the Contract and the coverage under the Policy with respect to such entity for non-payment as of the end of the Grace Period.
 3. All outstanding premiums shall be paid "as billed" by Cigna both as to past invoices and to all future invoices. As to the past (except as provided herein) or the future, premium credits for persons who are not eligible will be limited to a retrospective period of not more than 60 days before the date that Cigna is notified of the loss of eligibility plus three business days. Such credits will be reflected on monthly statements prepared by Cigna.

Article VI Confidential Information

- During and after the term of this Agreement the Employer will not release and will protect all Confidential Information that it receives or becomes aware of pursuant to or in the course of the performance of the obligations of this Agreement except pursuant to:
 - Virgin Islands or federal law;
 - court order;

- this Agreement;
 - another agreement between the parties specifically regarding the subject matter of this Paragraph;
 - and as necessary to establish and maintain the Benefit Program.
- B. As used in this Article, "Confidential Information" includes, but is not limited to, the business practices, strategies, developments, know-how, procedures, methods, methodologies, provider relationships, and systems used by Cigna to conduct its business, to process claims, and to otherwise administer the Benefit Program.
- C. During and after the term of this Agreement, the Employer will not release and will protect all Confidential Information unless released pursuant to an agreement between the parties or as necessary to establish and maintain the Benefit Program.
- If the Employer releases Confidential Information contrary to the terms of this Article, the Employer will take all steps necessary to assure that the person to whom the Confidential Information is released does not release and does protect the Confidential Information.
 - A breach of the terms of this Article will cause immediate and irreparable harm to Cigna. As such, in addition to any other rights or remedies available at law or in equity, Cigna is entitled to injunctive relief to restrain or enjoin such breach.

Article VII Health Information

- A. During and after the term of this Agreement the Employer will not release and will protect all Health Information that it receives or becomes aware of pursuant to or in the course of the performance of the obligations of this Agreement except pursuant to:
- Virgin Islands or federal law;
 - court order:

- this Agreement;
- another agreement between the parties specifically regarding the subject matter of this Paragraph;
- and as necessary to establish and maintain the Benefit Program.

B. "Health Information" means any information that is created or received by a health care provider, the Employer, or Cigna and relates to:

- the past, present, or future physical or mental condition of an individual;
- the provision of health care to an individual; or
- the past, present, or future payment for the provision of health care to an individual.

This definition shall include any additional information which may be defined as Health Information by any Virgin Islands or U.S. laws or regulations.

C. During and after the term of this Agreement, the Employer will not release and will protect all Health Information unless released pursuant to applicable Virgin Islands and U.S. laws or regulations. Releases of such information may require the consent of the individual who is the subject of the information and improper releases may be subject to penalty.

D. To the extent permitted by applicable law, the Employer will, to the extent permitted by law, indemnify, hold harmless and release Cigna, its directors, officers, employees, subcontractors, principals, and agents (Cigna) against any and all liabilities, losses, obligations, risks expenses (including attorneys' fees), costs, damages, and judgments, and against any and all claims and actions actually or allegedly based upon, arising out of, or in any way connected with:

- Cigna's disclosure of Health Information to the Employer or any agent of the Employer; or
 - disclosure or use of Health Information by the Employer or agent, regardless of the source of the Health Information.
- E. If any applicable law or regulation is enacted, or a decision of a regulatory agency or judicial body is issued which prohibits Cigna from disclosing Health Information, Cigna shall be relieved of its obligations under this Agreement, to the extent required by the law or decision.
- F. The obligations of this Article shall survive the termination or expiration of this Article or the Agreement.

Article VIII Liability and Notice of Cause of Action

- A. The Employer will promptly notify Cigna of any cause or action brought against the Employer or any agent of the Employer (of which cause or action the Employer has knowledge) for which Cigna may seek indemnification. In addition, the Employer warrants and represents its agents will do the same. The Employer may not compromise or settle any such cause or action without Cigna's concurrence, and the Employer warrants and represents that its agents will do the same. Cigna may in its discretion choose to undertake or take control of the defense of any such cause or action in which it is a named party.

ADDENDUM NO. 4

Forces Majeure or Majesture

The parties agree that Forces Majeure or Majesture such as acts of God or nature, fires, floods, storms, or earthquakes, may prevent one or both parties from performing its obligations under the Agreement. Therefore, the parties agree that the following provisions shall apply.

Article I Notice

In the event Forces Majeure or Majesture may prevent performance of one party's obligations, that party shall notify the other party in writing as soon as reasonably possible.

Article II In the Event Cigna Cannot Perform

In the event Cigna, or its subcontractors, cannot perform its obligations due to Forces Majeure or Majesture, Cigna shall make all reasonable efforts to resume performance of such obligations. Such efforts shall include, but not be limited to, the following:

- a. Location of a facility by which claims payment operations would continue within 2 business days of a force majeure event.
- b. Resumption of customer service operations within 2 business days of such event.

Operations established pursuant to this section should be in place to handle not only ongoing claims issues, but historic claims and customer service issues that may arise due to ongoing service. The following services shall be included in such operations:

Pre-authorizations

Medical Case Management

Coordinated transfer of cases to the US Mainland

PPO Network management

Payment of claims

In addition, Cigna is responsible to retain historic record of claims data in a manner that would protect its integrity in the event of such a force majeure event. Cigna shall have safeguards to protect incoming data -- paper or otherwise -- in a manner by which no more than one day's claims receipts would be lost.

Article III In the Event the Employer Cannot Perform

a. Non-financial obligations

In the event the Employer cannot reasonably perform its "non-financial" obligations due to Forces Majeure or Majesture, the Employer shall make all reasonable efforts to resume performance of such obligations. For the purposes of this Addendum, "non-financial" means obligations other than payment of premium.

b. Financial Obligations

In the event the Employer cannot reasonably perform its financial obligations within the time periods allotted in the Agreement (e.g. the 45 day "grace period") due to Forces Majeure or Majesture events, the Employer shall immediately notify Cigna and shall immediately request a "90 Day Premium Delay." Such notice shall be mailed within 30 days of the occurrence of the Forces Majeure or Majesture.

Article IV 90 Day Premium Delay

Upon receiving a valid request to invoke the 90 Day Premium Delay, Cigna shall suspend any efforts to collect premium from the Employer. The 90 Day Premium Delay shall be considered effective on the day after the last date for which premium was paid.

Example 1: The Employer's premium is fully paid through August 31. On September 15, the Employer makes a valid request for a 90 Day Premium Delay. The Premium Delay is deemed to be effective on September 1, the day after the last day for which premium was paid. The Premium Delay shall extend for 90 days to December 1.

The 90 Day Premium Delay does not relieve the Employer from the obligation to pay for the coverage in effect during the 90 Day Premium Delay.

a. Cigna Obligations

Cigna shall not invoice the Employer for 90 days from the last due date prior to the 90 Day Premium Delay taking effect. Cigna shall continue to perform its obligations under the Agreement as required. When Cigna resumes invoicing the Employer, such invoices shall be done in accordance with the terms of the Agreement, except that such invoices shall be for 100% of the premium owed:

- to the period during which the 90 Day Premium Delay was in effect, and during which premiums were not received;
- then to any period after the 90 Day Premium Delay for which premiums were not collected;
- finally to any current or future period for which premiums are due.

Example 2: The Employer requests a premium delay that takes effect on September 1. Cigna does not invoice the Employer for premiums during September, October, or November. Cigna invoices the Employer for premiums in December, which the Employer pays. The premium received is applied by Cigna to the amount due for the month of September. Premiums received in January will be applied to October, and so on.

Application of new premium payments toward delayed premium payments shall not extend beyond the annual term of the Agreement. Except however, moneys paid by the Employer in excess of the premiums due in the new contract year will be applied by Cigna to reduce outstanding amounts, including periods for which moneys are owed due to the invocation of a 90 Day Premium Delay.

Example 3: The Employer has invoked a 90-day premium delay and made subsequent payments described in Example 1. On March 31, the Contract Year ends. The Employer pays the monthly premium for April. This amount is NOT applied to the outstanding balance from the previous year. In May, the Employer pays an amount equal to one and a half times the monthly premium invoiced. The amount in excess of the May premium shall be applied by Cigna to the amount outstanding due to the 90-day premium delay.

Any premiums not collected during the annual term of the Agreement shall remain due to Cigna.

b. Agreement Provisions Applicable

Delayed premiums shall be subject to all provisions of the Agreement regarding invoicing, payment, and late charges, if any. Delayed premiums shall be considered late payments and subject to any interest and fees provided for in the Agreement or the addenda.

c. Advanced Payment

Nothing in this provision shall be construed to limit or prevent the Employer from reimbursing Cigna all or some of the moneys owed due to the 90 Day Premium Delay earlier than might be required. Such advanced payments shall diminish any interest charges, late fees, or other penalties, as is appropriate under the terms of the Agreement and the addenda and exhibits thereto.

d. Not to Be Construed as Compromise or Settlement

The application of funds under this Article is in no way to be construed as constituting a compromise and settlement of the full amounts owed under the Agreement.

e. 90 Day Premium Delay Inapplicable

In the event that the Employer properly requests, and Cigna invokes, the 90 Day Premium Delay in accordance with this section, such 90 Day Premium Delay will be revoked if the Employer is determined to be paying other debts and obligations (not due and owing to Cigna) on a timely basis. Upon revocation of such 90 Day Premium Delay pursuant to this subsection f., all premiums due and owing will be due immediately due and payable, and failure to make such payments will result in termination of the underlying Agreements and policy, subject to the notice requirements set forth therein.

Article V. Continuing Responsibilities

Any delay in performance granted to either party due to Forces Majeure or Majesture do not release either party from the responsibility for fulfilling the delayed obligations required by the Agreement and its addenda, except as may be permitted by the Agreement or its addenda. Failure to perform these obligations may result in either party invoking the termination provisions of the Agreement, as may be appropriate.

ADDENDUM NO. 8

Impact of Legislation

Whereas, it is possible legislation may be enacted that directly affects the administration of this Agreement in ways that also may affect the cost of this program; and

Whereas, the parties agree that Cigna should not be subjected to unexpected changes in the program that will result in higher costs without an opportunity to adjust the premium rates quoted;

Therefore the parties agree as follows:

1. Cigna is permitted to review its premium rates should legislation be enacted, or regulations adopted, after the signing of the Agreement and prior to the anniversary date of the Agreement which requires changes in the way the Government Program is administered, or in the benefit structure of the program, and for which the premium rates quoted by Cigna do not provide. Such changes in benefits or administration includes but is not limited to:
 - a. changes in the way claims are processed;
 - b. affecting the way Cigna may contract with providers, including Cigna to do business with any particular provider or group of providers (like a PPO);
 - c. requiring changes in the amount providers may be reimbursed;
 - d. mandating benefits or services that must be covered or the level of coverage to be provided;
 - e. any other requirement which affects the cost of the program.
2. Cigna shall notify the Government of the results of its review within 90 days after the adoption of such legislation or regulations.
3. Cigna may adjust the premium rates quoted to the Government to reflect changes in costs due to any statutory or regulatory requirements.

Contractor's Initials Y.S.

4. Such changes in rates shall be effective for the next billing period after the date on which Cigna submits the rate changes to the Government except however:

a. the rate changes shall not be effective before the effective date of the statute or regulation,

b. such changes in rates shall not be effective prior to their being presented to the Government by Cigna unless the effective date of the statute or regulation predates the rate changes being presented and Cigna is compelled to comply with the statute or regulation at this earlier date.

5. Cigna has the right to review its rates during the first 90 days after the effective date of the Agreement to determine if legislation passed after Cigna signed the Agreement has an effect on the Agreement sufficient to cause an impact on the premium rates attached to the Agreement.

RE: Justification Letter - GESC/Health Insurance Board of Trustees Dental Coverage effective October 1, 2023

Dear Governor Bryan:

The Government Employees Service Commission (GESC) Health Insurance Board of Trustees ("Board") acting as the sole body overseeing the operation of the Government employees' health and other benefit plans, has recently completed a Request for Proposals (RFP) for competitive bids as required by statute for insurance services which included Medical and Prescription Drug coverage for active employees and retirees, Employee Assistance Program, Dental, Vision, Life and Accidental Death & Dismemberment (AD&D) plans.

The RFP was released on March 15, 2023, and bids were received through April 24, 2023. Advertisements were released nationally and also in the St. Croix, St. John, and St. Thomas Source publications from March 15 through April 14, 2023.

Through the RFP process, the Board received two (2) responses for medical and prescription drug insurance for both active employees and the under 65 retiree population, two (2) responses for dental insurance, one (1) response for vision insurance, and three (3) responses for life and AD&D insurance.

The RFP evaluations were reviewed at the Board's May meeting and finalist meetings were held in-person at the Board's meeting in June.

Based upon the most recent medical claims experience report through July 2023, the dental claims expenditures are 96% of the medical plans' premiums, exclusive of other plan expenditures such as administrative costs. The losses have increased 14% from the prior period, so the Board was anticipating a 10-15% increase in premiums to cover future claims and expenses based upon an analysis by our Consultant, Gehring Group.

We received two responses for our dental coverage which covers all active employees as well as pre- and post-65 retirees. One from Cigna Healthcare (incumbent) and one from MetLife. Cigna's initial response was a no increase in premiums while providing a premium rate cap of 3% for year two. In addition, Cigna proposed increasing our annual maximum from \$1,250 to \$1,500 per year. MetLife proposed a 5% increase in premiums while matching the existing benefits with a two-year rate guarantee.

After finalist presentations the Board voted unanimously to begin contract negotiations with Cigna Healthcare.

Since the premiums will remain the same for the upcoming fiscal year the overall impact to the Central Government will be approximately \$4.02 million based upon the existing cost-share with employees and retirees.

In addition to the above financial implications, the Board was able to negotiate enhancements to the dental plan assuming we renew our medical coverage with Cigna:

- Introducing Dental Wellness Plus Program
 - When a participant receives preventive care under the dental plan (cleanings/oral exams/x-rays), their annual dollar maximum increases the next plan year.
 - Participants could add \$200 per year.
 - The Wellness Plus Calendar Year Program is as follows:
 - Year 1 - \$1,550 Annual Maximum
 - Year 2 - \$1,750 Annual Maximum
 - Year 3 - \$1,950 Annual Maximum
 - Year 4 - \$2,150 Annual Maximum
- There will be premium rate caps not to exceed 3% of current premiums for years two and three of this contract and additional rate caps not to exceed 6% of the previous years premiums for years four and five of the contract; and
- Placing \$100,000 in premiums at risk for performance guarantees.

The Board believes it was able to negotiate the overall lowest cost for both the Government, and its employees and retirees, all while maintaining a viable benefit offering.

Sincerely,

Beverly A. Joseph
