

Testimony on the Proposed Zoning Use Variance (Bill No: 35-0137)

Giffit Hill Land, LLC - Parcel 9-3 Est. Glucksberg, St. John, VI (Permit Application: ZAJ-23-1)

Submitted by: Cidney Hamling, 42-year resident of St. John

My name is Cid Hamling and as a resident of St. John for 42 years, I respectfully submit my testimony, which is as follows:

The proposal lacks clear limitations on the number of rooms and fails to provide a specific design, which I find troubling as it hasn't been made accessible to the public. This vagueness and incompleteness in their submission raise concerns. I urge the Senate to ensure accountability from GHL.

Respectfully submitted,

Cidney Hamling
