To Whom it May Concern,

My name is Pastor Wingrove Maynard, and I have served as the pastor at Healing Center Church of God since 1994, which is located right next door to 41C Contant. I am writing to provide a testimony regarding our experience with Discount Car Rental as our neighbors. In all the time that Discount Car Rental has owned their lot next to our church, neither I nor the members of my congregation have ever encountered any issues with them.

Discount Car Rental has consistently demonstrated commendable qualities as neighbors. They maintain a high standard of cleanliness, and their interactions with our church community have always been marked by respect and consideration. We greatly appreciate these qualities in a neighbor.

Furthermore, Discount Car Rental conducts their business exclusively during standard working hours, and we have never had any concerns related to noise disturbances. This has allowed our congregation to go about our religious activities without any disruptions.

In light of their excellent conduct as neighbors, I am pleased to express my full support for Discount Car Rental's rezoning request. Their consistent display of good neighborly behavior deserves recognition and affirmation. I believe that their request aligns with the positive impact they have had on our community, and I wholeheartedly endorse their efforts.

Thank you for considering our testimonial, and we hope that Discount Car Rental's request will be given due consideration.

Sincerely,

Pastor Wingrove Maynard
