Good Day:

This email is in support of Lionel Warrell and his application for rezoning of his property located next to Mafolie Hotel for commercial usage. All of the residential opposing concerns/issues have been thoroughly addressed by the new proposed plans. This development/venue will only add value to the tourism product for the Virgin Islands. Local individuals looking to make positive contributions to our society should be applauded and supported in forward movement. Please give our Virgin Islanders a chance just like any other groups who are constantly giving their chances, sometimes in less favorable circumstances.

Thanks for your favorable consideration.
