**POST AUDIT COMMENTS**

The Virgin Islands Police Department (VIPD) FY 2023 and FY 2024 Governor’s recommended budget are as follows:

<b>FY 2023</b>	<b>FY 2024</b>	<b>Variance</b>	
\$71,408,604	\$74,291,834	\$2,883,230	Governor's General Fund Recommendation
850,000	850,000	-	Tourism Advertising Revolving Fund
738,442	386,854	351,588	Peace Officer Training Fund
2,640,700	4,248,538	(1,607,838)	Federal Funds
<b>\$75,637,746</b>	<b>\$79,777,226</b>	<b>\$1,626,980</b>	<b>Total Operating Budget</b>

The Office of Management and Budget FY 2023 Allotment Report indicated as of June 8, 2023, the department has received a total of **\$52,873,615** in allotments.

**Highlights**

- The general fund proposed an increase of approximately \$2.8 million. However, there is a decrease in personnel services and increase in other services and utilities. This strategy needs to be explained.
- The department is proposing to spend less on Peace Officer training by approximately \$350,000. This decrease in training expenses needs to be explained.
- There is an expected increase in the use of Federal Funds, particularly in the areas of personnel services and other services.
- The department appears to be spending more on overtime than on employee salary.
- A number of Key Performance Indicator (KPI) are confusing and seem to be low in standard.
  - Page 445 – The number of data driven arrest target is 74.00 and the result is 169.00. Why was the target so low?
  - Page 450 – The number of saturation patrols target is 20.00 and the results is 193.00. Why was the target 20.00?
  - Page 452 – The number of arrests made from crime analysis reports target is seven (7), but the results was 319. Why was the target seven (7)?

- Page 452 – Number of recommendations per month made based on STAT target is one, this seems low.
- Page 453 – Percent of functional radios target is 80% and results in 95.60%. Why isn't the target 100%?
- Page 457 – Educational and informational outreach target is one, but fifteen (15) were done.
- Page 447 – The number of guns removed annual on St. Croix target was 112.00 and the result was 36.00, which is approximately 25%
