Your esteemed presence and insightful testimony are respectfully requested at 11:30 AM during this crucial gathering. The purpose of your participation is to provide valuable input on a matter of paramount significance - the current state and progress of horse racing within our territory.

The agenda of our committee hearing is designed to delve into various aspects of horse racing, including but not limited to facilities construction, funding allocations, projected timelines, achievements, challenges, potential opportunities, and prevailing needs. Your comprehensive perspective and expert insights on these matters would undoubtedly contribute significantly to our collective understanding and informed decision-making.

Furthermore, I kindly request your testimony on Bills 35-0073 & 35-0083, enclosed with this letter for your thorough review. Your perspective on these bills will greatly assist the committee in evaluating their potential impact on the horse racing landscape.

To facilitate the engagement process for your team members, we can offer the option of remote participation via Teams. Detailed invitations will be extended to ensure a seamless connection. For added convenience, I kindly urge that your written testimony be submitted via email to my office at senatorbolques@legvi.org no later than August 18, 2023. To optimize the effectiveness of the presentation, kindly limit the written testimony to a concise format of under three pages.
