**AMENDMENT TO BILL NO. 35-0086  
Offered by Senator Dwayne M. DeGraff**

Bill No. 35-0086 is amended as follows:

(1) In section 1, internal subsection (e), page 2, line 3, before the sentence starting with the word “Applicants” by inserting a new sentence to read as follows: “All background checks must cover a period of seven years from the date issued; and

(2) By adding subsection (f) to read as follows:

“(f) As used in this section, (1) “classified information” means any information or data that is internal-only to an agency, confidential in nature or restricted from public access. Data internal to an agency includes internal memos and other communications, payroll and personnel records. Confidential material includes social security numbers, credit card information, medical records, passwords and IT-related information, and such other information prohibited from public disclosure by law or regulations adopted by the agency. (2) Restricted data include proprietary information and research and data needed to be protected by the governmental agency.”

**Amendment No. 35-490/September 28, 2023/AA**
