8 the Rollings and Nielsen Firm-Architects, Urban Planners/Designers, USVI;

9 **WHEREAS**, from 1977 to 2007, he worked with the Department of Public Works,
10 serving as the Territorial Director of Highway Engineering, and thereafter as the Territorial
11 Director of the Federal Highway Program;

1 **WHEREAS**, Aloy Nielsen has always been an effective team leader, supervising
2 professional engineers and planners in the development of engineering/planning projects, from
3 problem identification to generating viable solutions, and successful implementation;

4 **WHEREAS**, Mr. Nielsen was instrumental in the formulation and delivery of the
5 Federal-aid highway program;

6 **WHEREAS**, Mr. Nielsen developed the first official highway map of the territory;

7 **WHEREAS**, Aloy Nielsen had several accomplishments during his tenure at the
8 Department of Public Works, including spearheading the construction of the widening of the
9 Moravian Highway on St. Thomas to four lanes from Nisky Center to the access road to the
10 Cyril E. King Airport;

11 **WHEREAS**, Mr. Nielsen managed a number of significant road projects, including
12 Route 66 Point Udall, and Sunday Market Square on St. Croix; and the Long Bay Road on St.
13 Thomas;

14 **WHEREAS**, Mr. Nielsen directed the pedestrian sidewalk designs that were constructed
15 in several locations on St. Croix, to provide for the safety of pedestrians along major roadways;

16 **WHEREAS**, he administered the construction of Phase IV of the Melvin Evans Highway
17 (Route 66) from West Airport Road to Hannah's Rest Road, (Route 661) on St. Croix;

18 **WHEREAS**, Aloy Nielsen directed the redesign of Buddhoe Park in Frederiksted, for
19 the 150th Anniversary of the emancipation of slavery in the territory. The \$3 million project
20 was designed in-house and constructed within three months;

21 **WHEREAS**, Mr. Nielsen conducted a design competition among all registered architects
22 in the Virgin Islands for the design of a Millennium Monument to be constructed at Point Udall.
23 This project was so significant that it led to an article that was published in the February 2000
24 edition of Architectural Record and featured in a Federal Highway Quarterly Newsletter;

1 **WHEREAS**, during his tenure, Mr. Nielsen played a significant role in the construction
2 of the Christiansted Boardwalk including developing the memorandum of agreement between
3 the Federal Highway Administration-Puerto Rico/Virgin Islands Division, Eastern Federal
4 Lands Highway Division and the Department of Public Works to bring to fruition a number of
5 inter-island pavement preservation projects, which included the construction of the new
6 Molasses Pier Access Road, Mon Bijou Flood Control Channel bridges, Christiansted By-Pass,
