

Ace Trucking and Trash Removal LLC

35 Legislative Committee

Leasing Contract of Bill No. 35-0025

March 3, 2023

Good Day,

We at Ace Trucking and Trash Removal, request the lease renewal of Bill No. 35-0025. Ace Trucking has been serving the Virgin Islands Community in Partnership with other Trucking businesses for over 25 years, in 2018 Antony Isaac took a step forward and Ace Trucking was created so we could continue to service the Virgin Islands. Since we started, we have been working with the Virgin Islands Waste Management Authority in striving to keep the community clean. We are asking that the 35th legislature extend our contract for the leasing of Bill No. 35-0025. Ace Trucking and Trash Removal will be expanding our business and hiring more people, and improving our Virgin Islands Community.

Best Regards

Anthony Isaac
