

AMENDMENT TO BILL NO. 35-0175
Offered by Senator Kenneth L. Gittens

Bill No. 35-0175 is amended as follows:

- (1) In section 2, internal section 1081 Definitions, by inserting the following definition as 11 to read as follows:

“Auxiliary communications” means backup emergency radio communications provided by volunteers who support public safety and emergency response professionals and their agencies”.

- (2) In internal section 1084, subsection (a) by inserting paragraph (1) to read as follows:

“(1) If duly activated from an AuxComm member’s residence, activation means all activities following, the first AuxComm assigned task.”

Amendment No. 35-530/November 3, 2023/AA
