Re: Letter of Recommendation for Yvette D. Ross Edwards, Esq.

Dear Ms. Capehart,

I write to express to you my recommendation of Mrs. Yvette Ross Edwards, Esq. for judgeship at the Superior Court of the Virgin Islands. I worked for Attorney Ross Edwards from 2018 – 2021 as a legal assistant. During my time at the firm, I found her to be an exceptional lawyer.

While working with Attorney Ross Edwards, I became inspired to pursue a career as a lawyer. Her keen legal mind and her ability to analyze complicated legal matters and apply the law accordingly, shaped my belief as an aspiring lawyer. I want to make decisions that are just, fair and unbiased the way she has done time and time again.

I've also watched Attorney Ross Edwards change many lives. She has helped individuals who could not help themselves and those who simply needed a guiding hand. She was always patient with everyone and in my opinion, gave the best advice. She has incredible work ethic as well. To date, I am a paralegal/investigative analyst and currently in the process of applying for law school. I would not have gotten to this point without Attorney Ross Edwards and all that I've learned from her over the years.

Attorney Ross Edwards has all of the credentials, qualities and experience to be an outstanding judge. She has a diverse jurisprudential competency and has earned the respect and admiration in our community. I recommend her without reservation for judgeship at the Superior Court of the Virgin Islands.

Sincerely,

Anurie Oliver
