

Honorable Diane Capehart
Chair, Committee on Rules
35th Legislature of the Virgin Islands
3022 Estate Golden Rock-Christiansted
St. Croix, VI. 00802

To Whom It Concerns,

This letter of endorsement is for Kasima Knight-Hodge, requesting she be considered as a candidate for the Virgin Islands Real Estate Commission.

As sitting President of the St. Thomas Board of Realtors 2022-2024, I've had a close business relationship with Kasima over the past years. She's been an outstanding leader within our own Association and would continue to be a valuable asset on the Commission. She's proven to have a deep knowledge of our local real estate industry and keen to the workings of our island trends and practices and is an excellent candidate for consideration.

Most Sincerely,
