Chair, Committee on Rules
35th Legislature of the Virgin Islands
3022 Estate Golden Rock
Christiansted St. Croix, VI 00802

Dear Honorable Diane Capehart:

I am writing to you for my endorsement for Kasima Hodge to join the Real Estate Commission. Kasima is very motivated, dedicated and very professional. She works well with realtors to make sure they are working ethically and fairly with each other as well as the consumer, and would be a great addition to our VI Real Estate Commission.

Her knowledge of the real estate business and of our Islands practices will only make her a more sound member. Please contact me if there are any questions. Thank you for your consideration in this matter.

Sincerely yours,

Walt Frazier III
