Senator Diane T. Capehart
Committee on Rules and Judiciary
Senator, 35th Legislature of the Virgin Islands
St. Croix, Virgin Islands

Dear Senator Capehart and Committee on Rules and Judiciary Members:

I am pleased to support the nomination of Dr. Nathaniel Olive to the Virgin Islands Conservation District (VICD) Board of Supervisors, representing St. Croix. I think his resume very clearly covers his professional and academic experiences, and also his agricultural farming background.

I served on the VICD starting in 1965, and served on the NACD Board of Directors for six years, so I am very familiar with the duties and responsibilities of the board members, who serve as volunteers.

I have known Dr. Olive for over ten years and am confident he would be a great addition to the VICD with his experience, providing some leadership and ideas identifying a positive agenda.

Sincerely,

Hans Lawaetz
