Dear Senator Capehart,

I fully support Mr. Antonio Stevens's confirmation as the new Director of the Virgin Islands Fire and Emergency Medical Services (VIFEMS). Unfortunately, due to my participation in Lean Six Sigma Training this week, I cannot attend his confirmation hearing scheduled for Wednesday, March 20, 2024. However, I wanted to ensure that my voice was heard in this matter.

I have known Mr. Stevens since 2019, and during this time, we have developed an outstanding professional relationship. His dedication, expertise, and commitment to public safety are exemplary, making him an ideal candidate for the Director of VIFEMS.

As the Assistant Director of VIFEMS, I have witnessed firsthand Mr. Stevens' leadership capabilities and unwavering dedication to our community's well-being. His strategic vision and ability to manage emergencies effectively have contributed significantly to our department's success.
