Committee on Rules & Judiciary
Legislature of the US Virgin Islands
St. Croix VI 00820**

Dear Sen. Diane Capehart:

It is indeed my honor and privilege to recommend Mr. Antonio Stevens as Director of the Virgin Islands Fire and Emergency Medical Service. As a former Director of the VI Fire Service, I understand and is fully knowledgeable of the skill set and expertise needed to move the Fire Service forward.

I have had the opportunity to observe Mr. Stevens, as he was the Territorial Hazmat Coordinator for the service under my Directorship. He is diligent and works hard to accomplish any task assigned to him, he also has a keen understanding of the fire service with excellent work ethics and innovative ideas for the betterment of the agency.

I wholeheartedly have confidence in Mr. Antonio Stevens and recommend him for Director of the Virgin Islands Fire and Emergency Service.

If additional information is needed, please advise.

Regards,

**Steve Brow
Retired Fire Director**
