Short-Term Goals (Priority Order):

1. **Strengthen Local Business Engagement:** Foster stronger relationships with local entrepreneurs and small businesses to increase their participation in RT Park initiatives. 3. **Create Talent Development Pipelines:** Work with UVI and local educational institutions to develop talent pipelines that prepare Virgin Islanders for careers in technology, research, and entrepreneurship. This could include internships, scholarships, and mentorship programs that equip residents with the skills needed for RT Park-related industries.

Question #2

Yes, my fiscal plan would focus on three key areas to address spending and streamline service delivery:

1. **Optimize Resource Allocation:** Conduct a thorough audit to identify inefficiencies and eliminate redundant programs or services. Prioritize funding for high-impact projects that drive economic growth and innovation, while cutting or restructuring non-essential expenditures.
2. **Leverage Public-Private Partnerships (PPPs):** Expand collaborations with private businesses to fund critical infrastructure and services without overburdening government resources. This can help reduce costs while improving service delivery in areas like technology, healthcare, and education.
3. **Invest in Digital Transformation:** Implement technology-driven solutions to streamline government processes, reduce paperwork, and automate services. This would lower operational costs and improve efficiency, delivering better services to residents with fewer resources.

Question #3

Equal Employment Opportunity (EEO) means providing all individuals fair access to employment, advancement, and benefits, without discrimination based on race, gender, age, religion, disability, or other protected characteristics. It ensures that hiring, promotions, and workplace policies are based on merit and qualifications, promoting diversity and inclusivity in the workplace.

Sexual harassment is any unwelcome conduct of a sexual nature, including advances, requests for favors, or verbal or physical behavior that creates a hostile or intimidating work environment. It undermines the integrity of the workplace, and organizations must have clear policies, training, and reporting mechanisms to prevent and address it, ensuring a safe and respectful environment for all employees.
