Good Afternoon Commissioner Gabriel,

On behalf of Senator-At-Large Angel L. Bolques, Jr., thank you for your response and for the update regarding coordination with the relevant GVI partners and contractor.

We appreciate the effort required to align multiple schedules. As this request was initially submitted in August 2025, the Senator remains interested in conducting the site visit at the earliest feasible opportunity to ensure he is fully briefed on the project's current status.

We understand that March is the tentative timeframe and will await confirmation of specific dates. Once available, we will promptly coordinate on our end to ensure availability.

Thank you.

**Judy Torres**

Good afternoon,

We are not ignoring your request. Trying to coordinate schedules with the GVI partners and contractor which is taking some time. Right now, we're looking at March but don't have exact dates. Thanks.
