## **Re: Invitation to Testify – Oversight Hearing on the Paul E. Joseph Stadium Project**

Dear Commissioner Alejandro,

As Chair of the Committee on Culture, Youth, Aging, Sports, and Parks during an oversight hearing scheduled for Friday, February 20, 2026, at 1:00 PM, at the Frits E. Lawaetz Legislative Chamber on St. Croix.

This hearing will assess the current financial, administrative, and construction status of the Paul E. Joseph Stadium project. The Committee seeks to understand factors that contributed to the project not meeting its anticipated December 2025 completion, evaluate interagency roles and contractor performance, and determine a clear path forward to final delivery.

In your capacity as Commissioner of the Department of Property and Procurement, your testimony is requested to:

- Address the status of contract execution, amendments, and vendor performance
- Clarify procurement timelines, delays, or disputes affecting project delivery
- Outline how your department is ensuring accountability in contractor obligations

We kindly request that you submit written testimony and any supporting documentation no later than Wednesday, February 18, 2026, for inclusion in the official record.

Thank you for your continued leadership and commitment to effective project management across the Virgin Islands. Should you have any questions or require assistance, please contact my office directly.

Respectfully,
