Subject: RE: Request for Paul E. Joseph Stadium Progress Report for June 11 CYASP Hearing

Greetings President Potter,

I wanted to kindly follow up regarding the Paul E. Joseph Stadium Progress Report that I requested for the upcoming CYASP hearing on June 11, 2025. As we are approaching the hearing date, receiving the most recent official update in your possession will greatly assist the Committee in preparing. I appreciate your earlier commitment to reach out to Commissioner Gabriel and look forward to receiving the updated report at your earliest convenience. Thank you again for your attention and continued collaboration. Onward & Upward. Sincerely,

From: Milton E. Potter <mpotter@legvi.org>

Greetings Senator Bolques,

My records indicate that the last Paul E. Joseph Stadium Progress Report that I received was on December 5, 2024, which all Senators received.

I will reach out to Commissioner Gabriel in the morning and ask that he provide me with the most recent update which I will forward to you upon receipt.

Best regards,
