Good morning Ms./Mrs. Persaud,

Hopefully, this email finds you well. I attempted to reach out to you on the office phone unsuccessfully. As per our previous conversation, I'm aware that Director Wessel is working on his Testimony, with the assistance of a "Government Representative". Being that we are one day away from the Committee hearing, if there is any update that can be provided, it would be greatly appreciated and needed.

Good afternoon Ms./Mrs. Persaud,

As always, it is my pleasure in conversing with you. As it pertains to our previous conversation, I'm aware that Dir. Wessel has expressed his unwillingness to provide any updates, of his Testimony, prior to the completion of his engagement with the "Government Representative". Once again, it would be greatly appreciated if it could be placed in an email. If not, unfortunately, it will prompt me to reach back until it can be provided. Just as a reminder, the Testimony needs to be submitted forty-eight hours prior to the hearing date(Nov. 19th). I do hope that you enjoy the remainder of your day.

Good afternoon Ms./Mrs. Persaud,

Hopefully, this email finds you well. I attempted to contact you, prior to this email being sent, unsuccessfully. Unfortunately, I couldn't leave a voicemail, being that I wasn't prompted to. I do apologize if I caught you at a bad time. My attempts of gaining your attention, was to serve as a follow up to our previous conversation on 11/04/25. If there is any update that you can provide, as it pertains to Dir. Wessel's participation, it would be greatly appreciated. Thank you in advance.
