Re: Invitation to Testify – Oversight Hearing on Clinton E. Phipps Racetrack and the Horse Racing Initiative Fund

Dear Mr. Hodge Jr.,

As Chair of the Committee on Culture, Youth, Aging, Sports, and Parks, I respectfully invite you to testify during an upcoming oversight hearing scheduled for Wednesday, November 19, 2025, at 10:00 AM at the Frits E. Lawaetz Legislative Chamber on St. Croix.

This hearing will assess the operational and regulatory status of the Clinton E. Phipps Racetrack, as well as the fiscal transparency and equity of the Horse Racing Initiative Fund. As Chairman of the U.S.V.I. Horseracing Commission, your participation is critical to informing the Legislature and the public on the following:

- The Commission's oversight responsibilities and role in ensuring regulatory compliance and safety protocols;
- Updates on recent and forthcoming races, permitting activities, and inter-agency coordination;
- The Commission's relationship with licensed racing operators and local horsemen;
- Opportunities for improved oversight, resource equity, and public confidence in horseracing governance.

We kindly request that you submit your written testimony and any supporting documentation by no later than Monday, November 17, 2025, to ensure timely distribution to committee members and facilitate the hearing schedule.

Thank you for your continued service and commitment to horseracing in the Virgin Islands. Should you need further information or have questions, please do not hesitate to contact my office. I look forward to your participation in this important discussion.

Respectfully,
