RE: Absence from the Committee on Culture, Youth, Aging, Sports, and Parks Hearing

Dear Senator Bolques,

I am writing to respectfully inform you that, due to an unavoidable scheduling conflict, I will be unable to attend today's hearing on long-term solutions to address youth success. As you know, this important discussion will focus on program funding, equity in service delivery, and structural barriers that affect access to education, training, and enrichment opportunities.

Please accept my sincere apologies for any inconvenience my absence may cause. I deeply regret not being able to participate in what promises to be a valuable conversation, and I truly appreciate your understanding in this matter.

Thank you for your consideration.

Respectfully,
