St. Thomas, U.S. Virgin Islands, 00820

Dear Senator Bolques:

The Virgin Islands Office of Disaster Recovery is in receipt of your invitation to testify before the Committee on Culture, Youth, Aging, Sports, and Parks on Friday, September 18, 2026, regarding the status and progress of the Paul E. Joseph Stadium Project.

Unfortunately, I will be out of the territory and will not be able to attend the hearing. However, testimony and representation will be provided by Ms. Tawana Nicholas, Assistant Executive Delivery Manager, SPMO and representatives from the Department of Public Works, who will be available to provide the requested information and updates regarding the project.

Thank you for your consideration and for the opportunity to provide an update on this important initiative.

Respectfully,
