Re: Invitation to C.Y.A.S.P. Hearing – September 19, 2025

Dear Ms. John-Straker,

In my capacity as Chair of the Committee on Culture, Youth, Aging, Sports, and Parks (C.Y.A.S.P.), I am pleased to invite you to testify at an upcoming legislative hearing scheduled for Friday, September 19, 2025, at 10:00 AM, in the Earle B. Ottley Legislative Hall, St. Thomas.

The Committee will focus on the status and pathway toward achieving Centers for Medicare & Medicaid Services (CMS) certification for senior living and long-term care facilities in the territory. Your testimony will be vital in helping the Committee understand the Department of Health's role and outlook on:

1. **Where are we now?** – The current certification status of senior living facilities.
2. **What's required?** – CMS's Conditions of Participation, operational and compliance requirements.
3. **What's next?** – Strategic planning for certification, facility upgrades, and access to CMS federal funding.

We greatly value your expertise and welcome your participation to ensure the Committee's discussion is both informed and productive. Kindly confirm your availability at your earliest convenience so we may finalize scheduling and logistics. Should your office need any additional information in advance, please do not hesitate to reach out. Thank you for your dedication and continued partnership.

Sincerely,

A handwritten signature in cursive script that reads "Judy Torres".
