

**BILL NO. 36-0133**

**Thirty-Sixth Legislature of the Virgin Islands**

**August 26, 2025**

An act amending title 17 Virgin Islands Code, chapter 10, section 111(a)(1) providing mental health education and instruction

---

**PROPOSED BY:** Senator Milton E. Potter

---

*Be it enacted by the Legislature of the Virgin Islands:*

**SECTION 1.** Title 17 Virgin Islands Code, chapter 10, section 111, subsection (a)(1) is amended by striking “and” and by adding the following after “environment”:

“,and mental health education and instruction that includes age-appropriate model learning activities for grades kindergarten through 12 on the overarching mental health themes like early intervention and prevention, stigma and discrimination reduction and holistic approach to well-being and core principles such as person-centered care, ethical practice and empowerment.. The mental health education shall include learning activities that develop pupils’ mental health wellness, social connectedness and supportive relationships through resiliency, problem solving skills, coping skills, self-esteem, and a positive school and home environment. Mental health education shall also include learning activities that encompass the mental health components of the National Health Education Standards.”

**BILL SUMMARY**

The bill adds mental health education to the school health programs.
