

Ben and Griselle Mitchell (Titi Griselle) below is our testimony for Janeisha John ♥♥

Good day,

Our journey with Janiesha began when she was just ten years old, attending the C9 International Model's Charm, Poise, and Etiquette workshop at the Sidney Lee Theatre of the Arts. From the moment she walked through the doors with her sisters and mother, there was an unmistakable presence about her. Graceful, polite, and poised beyond her years, Janiesha carried herself with the quiet confidence of someone born for the spotlight.

Even at such a young age, she impressed everyone she met. Her radiant smile, respectful demeanor, and natural elegance immediately set her apart. During her runway and commercial development sessions, she displayed an effortless command of the stage and camera — captivating audiences and instructors alike. It became clear very quickly that Janeisha possessed a rare and innate talent, the kind that can't be taught, only refined.

At C9 International, our role was simply to help polish what was already shining within her. Janiesha approached every opportunity with wholehearted dedication, giving 100% to every rehearsal, every show, and every challenge placed before her. Her work ethic and humility made her not only a pleasure to mentor but also a lasting inspiration to her peers.

Today, as we celebrate all that Janeisha has achieved, we do so with immense pride. Her journey from a bright-eyed ten-year-old camper to the accomplished and globally recognized woman she is today stands as a true testament to her talent, discipline, and grace. We are deeply honored to have witnessed her growth and to have played even a small part in her remarkable story.

Janiesha John — a star from the very beginning, and one who continues to shine ever brighter.
