Condensed Statement for Legislative Testimony

From January 2025 through October 2, 2026, the five Standing Committees of the Sixth Constitutional Convention collectively recorded 118 meetings: 36 by Government Structure, 32 by Finance and Public Services, 31 by Human Rights, 12 by Culture and Heritage, and seven by Education and Public Information. Including 16 additional meetings of the Executive Committee and Ad Hoc Committee on Judicial Review, the Convention recorded an overall total of 134 committee meetings, reflecting sustained deliberation and progress in developing the proposed Constitution. A committee-by-committee matrix is provided for the legislative record.

Suggested placement: “Where the Convention Stands,” before the Human Rights Committee discussion.
