Dear Senator,

It is with deep sorrow that I inform you of the passing of Ravi's mother. Due to this unfortunate circumstance, Ravi will not be able to participate in tomorrow's public hearing. We are sending our written testimony and respectfully request Liberty VI be excused from the hearing.

We can schedule a meeting at a future date to discuss any details or questions you might have.

We appreciate your understanding.

Regards,

Lcda. Wanda Pérez Alvarez  
Senior Manager Government Affairs
