Donna M. Christensen, MD

Member of Congress, 1997 - 2015, U.S. Virgin Islands

My commitment and passion has always been working towards the elimination of health disparities and achieving health equity. This will continue unabated through the public, private or not-for-profit sectors as I leave Congress. My special interests are the concerns of people of color in the U.S. and elsewhere; with special interest in those in the Territories, the Caribbean and of course anything of concern to the Virgin Islands.
