SECTION 1. Title 29 Virgin Islands Code, chapter 5, section 294 is amended by adding the following subsection (h):

“(h) **Expedited Building Permits.** The Department of Planning and Natural Resources (DPNR) may offer expedited building permits for developers who request and pay for expedited processing.

(1) The Commissioner shall establish a fee schedule for expedited building permits based on the complexity, scope, size of the project, and the urgency of the request.

(2) The developer requesting the expedited permit must pay the entire plan review fee in full, and 75 percent of the total permit fee prior to the commencement of the expedited review process. The balance of the permit fee, subject to

DPNR shall notify the public, including all interested developers, of any changes to the fee schedule.
