Subject: Concerns Regarding Application No. CCZP0091-25

Dear DPNR,

I am writing to formally express my concern regarding the handling of Application No. CCZP0091-25 and the associated public notification process. During the hearing, an unlisted parcel was discussed that had not been properly identified to affected property owners. This undermines the public process and deprives residents of their right to participate meaningfully.

I ask for immediate clarification of all parcels included in the rezoning request, proper public re-notification, and a rescheduled hearing to address these issues adequately.

Thank you for your attention to this critical matter.

Sincerely,

Your Name

Dan tomlinson
